*The Already Dead* Eric Cazdyn, 2012-04-16 This book considers how a culture of crisis management what Cazdyn calls the new chronic has come to dominate all aspects of contemporary life from biomedicine to economics to politics Drawing from his own experiences battling leukemia and the subsequent effects of his illness on the process of becoming a Canadian citizen Cazdyn unravels the logic of the new chronic where people find themselves suspended in a space between life and death

light This account of Hegel's Logic is framed by the need for an interpretive tool able to orient our understanding of the contemporary world as mired in an unprecedented global crisis How can the story of our historical present the tragedy or the comedy we all play parts in be told What is the inner logic of our changing world Angelica Nuzzo presents an original interpretation of Hegel's Logic by representing it as a logic of action This novel approach is supported by insightful readings of the literary texts she covers in the book Andrew Cutrofello author of All for Nothing Hamlet's Negativity **Shakespeare Survey** Stanley Wells, 2002-11-28 The first fifty volumes of this yearbook of Shakespeare studies are being reissued in paperback **Translations and Reprints from the Original Sources of European History** University of Pennsylvania.
