Alpha Jasinda Wilder, 2014-04-29 The first time it happened it seemed like an impossible miracle Bills were piling up adding up to more money than I could ever make Mom's hospital bills My baby brother's tuition My tuition Rent Electricity All of it on my shoulders And I had just lost my job There was no hope no money in my account no work to be found And then just when I thought all hope was lost I found an envelope in the mail No return address My name on the front my address Inside was a check made out to me in the amount of ten thousand dollars Enough to pay the bills and leave me some left over to live on until I found a job Enough to let me focus on classes There was no name on the check just VRI Inc and a post office box address for somewhere in the city No hint of identity or reason for the check or anything No mention of repayment interest nothing except a single word on the notes line You Just those three letters If you receive a mysterious check for enough money to erase all your worries would you cash it I did The next month I received another check again from VRI Incorporated It too contained a single word belong A third check the next month This time two words Four letters To me The checks kept coming The notes stopped Ten thousand dollars every month A girl gets used to that real quick It let me pay the bills without going into debt Let me keep my baby brother in school and Mom's hospice care paid for How do you turn down what seems like free money when you're desperate You don't I didn't And then after a year there was a knock on my door A sleek black limousine sat on the curb in front of my house A driver stood in front of me and he spoke six words It's time to pay your debt Would you have gotten in I did It turns out 120 000 doesn't come free     *Everything and Less* Mark
