The Quiet Ones Amanda Wilt, 2025-11-24 When Dr Naomi Vale drives into Gray Ridge she expects a town shaken by tragedy A mine collapse a string of child trauma cases a community struggling to find its footing these were challenges she'd faced before But the moment she sees the first handmade sign on the roadside KEEP QUIET she knows this assignment is different Gray Ridge doesn't just prefer silence It enforces it Every street corner displays the same message Every restaurant has chalkboards instead of conversation Children flinch at the sound of their own voices Parents correct them with gestures not words And the town's drills sudden synchronized unnervingly ritualistic reduce the entire community to breathless stillness The system is called Acoustic Safety a protocol created in the aftermath of the catastrophe Officials insist it keeps the town calm Stable Protected But Naomi quickly realizes the quiet isn't healing anyone it's controlling them Her role is simple on paper assess the children affected by the collapse and recommend support But the deeper she steps into the routines punishments and unspoken rules of Gray Ridge the more she uncovers the truth hiding behind the stillness The drills aren't about safety The silence isn't about trauma And the people enforcing the rules aren't interested in helping her understand anything at all Somewhere in this quiet town someone is shaping the narrative Someone is rewriting the rules And someone is waiting for Naomi to stop asking questions As the sun sets on her first day and the drills begin Naomi faces the chilling realization that Gray Ridge doesn't need her expertise It needs her compliance A slow burn psychological horror about community obedience institutional control and the cost of speaking when everyone

around you has learned to stay silent The Quiet Ones explores what happens when a town forgets the sound of its own voice and what it takes to reclaim it **It's Always the Quiet Ones** Charles Sather,Moira Henderndson,2016-08-09 The two boys arrived home at two thirty and called excitedly to their mother that they had a new project to show her John came out of the bedroom and shot them both in the head He then put the gun in his mouth and pulled the trigger Every day we hear about someone killing their family and then themselves for no apparent reason The neighbors always say they were so quiet and they are shocked that something like this could happen Could it be that this has always been happening but now with technology being so advanced we just hear about it more or is there something more diabolical going on Read the book and you be the judge and beware of the quiet ones **The Quiet Ones** L. M. Lambert,2022-11-10 The Quiet Ones Jalen and Diane By L M Lambert As children both Jalen and Diane witnessed the horrors of domestic violence and abuse both resulting in the death of those they loved the most The trauma of their past drives them to help others with Jalen becoming a police officer and Diane choosing to work in social services But when Diane finds herself married with a child to an abusive husband she and her young son Jeromy flee the state Years later Diane finds herself settling in a small town the very same small town where Jalen chose to retire after a being severely injured while on duty Now in the same place Jalen and Diane cross paths and a new relationship is born As romance begins to blossom a threat begins to lurk in the shadows Diane s ex husband George shows up in town threatening Diane and Jeromy to return with him Now Diane and Jalen must work together to find an ending to the cycle of abuse in their lives and finally live a life of peace
