Deborah Jaffé

Ingenious Women:

Ingenious Women Deborah Jaffé, 2003 This delightfully illustrated book examines inventions and discoveries made by women beginning with the first patent application made in 1637 and ending with the outbreak of war in 1914 Lively accounts of the stories of the inventions are placed into the context in which their discoveries were made and the struggle they had to acquire patents and put their inventions into production In covering this previously obscure part of women s lives the practical way in which women have made an enormous contribution to social change and scientific advance is revealed

Ingenious Women ,2009 *Godey's Lady's Book* ,1896 **Godey's Magazine** ,1896 Hidden in History: The Untold Stories of Women During the Industrial Revolution Danielle Thorne, 2019-07-16 The Industrial Revolution of the 18th and 19th centuries saw a period of technological historical and even social advancements Men like James Hargreaves and Eli Whitney worked to make life easier for the working class inventing machines like the spinning jenny and the cotton gin But men weren t the only luminaries of the Industrial Revolution women of all ages from the joined in the revolution to further advance society Margaret Elizabeth Knight brought paper bags to the world and Elizabeth Magie s interest in politics and economics gave us the much beloved game of Monopoly And what would we do without Tabitha Babbitt s circular saw or Josephine Cochran s dishwasher In today s modern world we often take important inventions like these for granted but with their female inventors we d be living vastly different lives A part of the Hidden in History series The Untold Stories of Women During the Industrial Revolution shares the stories of women who should be remembered for their remarkable talents ingenious inventions and hard work but have been previously overshadowed and forgotten to history Home and Country ,1893 **Women's Writing and the Circulation of Ideas** George Justice, Nathan Tinker, 2002-03-07 It was widely believed that women in Renaissance and early modern England either did not write or did not publish their work It has become clear that instead of using the emerging technology of print many women writers circulated their works by hand with friends copying and recopying poems plays and novels from each other or with the help of professional scribes Through manuscript publication women s writing reached wide audiences and was collected and admired by both men and women **Women s Writing and the Circulation of Ideas** contributes to the discovery and re evaluation of women writers by examining the writing and manuscript publication of key authors from 1550 to 1800 The collection s analysis of the range and meaning of women s writing and manuscript publication during the rise of the print industry alters our understanding of the history of the book and early modern British literature alike **Ingenious Women** Anita Ganeri, 2023 **The Comédie Humaine** Honoré de Balzac, 1897 *Technology, Commercialization and Gender* Pooran Wyncarczyk, Marina Ranga, 2017-08-23 This book explores the gender dimension in technology commercialization through a collection of papers by internationally renowned scholars in the USA Mexico and Europe *Technology Commercialization and Gender* looks at various gender imbalances in this key innovation area and demonstrates that the construction of gendered identities within male dominated

work environments such as technology commercialization is a complex and lengthy process often faced with institutional culture obstacles More gender awareness and openness along all stages of the innovation chain as well as more research and policy interventions are needed to ensure better use of highly skilled human capital in knowledge based economies around the globe
