**Sports in Literature** Bruce Emra, McGraw-Hill, 1990-11-06 Sports in Literature 2nd Edition brings a new category of American literature to life through the dramatic and personal aspects of sport. This compilation includes a variety of genres at 9th through 12th grade reading levels: stories, essays, poetry, and biographies. The selections include notable authors and celebrities including William Wordsworth, John Updike, Lillian Morrison, John Sayles, Chaim Potok, Toni Cade Bambara, and even Abbott and Costello. Sports in Literature will help students see that sport is more than a contest. They will recognize sports as a metaphor for the human experience.

*The Riverside Chaucer* Geoffrey Chaucer, Larry Dean Benson, 2008 The third edition of the definitive collection of Chaucer's Complete Works reissued with a new foreword by Christopher Cannon. Since F. N. Robinson's second edition of The Works of Geoffrey Chaucer was published in 1957, there has been a dramatic increase in Chaucer scholarship. This has not only enriched our understanding of Chaucer's art but has also enabled scholars working for the first time with all the source material to recreate Chaucer's authentic texts. For the third edition, an international team of experts completely re-edited all the works, added glosses to appear on the page with the text, and greatly expanded the introductory material, explanatory notes, textual notes, bibliography, and glossary. In short, the Riverside Chaucer is the fruit of many years' study: the most authentic and exciting edition available of Chaucer's Complete Works.
