today's modern era the people are taking more responsibility for health participating more in health care decisions and choosing health care models which are more in line with natural healing. They have taken the role of deciding upon what safer treatment they would require for their health care needs and keeping in view of the harmful effects of conventional ones they are switching toward an alternative system of medicine homeopathy being their supreme choice. The demand for the use of Homeopathic Treatment Remedies have since been increased in North America. Lack of awareness in the homeopathy with regards to other alternative system of medicines has remained the concern of the common people in North America. The author of the *A Complete Handbook of Homeopathic Medicine* was approached by the homeopathic community in North America and especially the Pharmacists to bring out a Handbook on Homeopathic Medicine to guide them with about the Homeopathic Philosophy and the selection of the appropriate remedy for common ailments. The ailments with the recommended medicine are covered alphabetically. The First part explains the history principles of homeopathy and homeopathic pharmacy and Therapeutics for selecting the remedy followed by Part II second part which is the *Materia Medica* of Commonly prescribed homeopathic medicines. This book will be useful for every one who has interest in homeopathy and it contains simple steps to choose the right homeopathic remedy for the common ailments. It is a labor saving handbook and a easy reckoner providing therapeutic pointers in the treatment of acute and chronic ailments.

This book is an extremely important part of women's social history. Read it. Maxine Peake Robin Hood Dick Turpin Ronnie Biggs the Krays All have become folk heroes glamorised and romanticised even when they killed. But where are their female equivalents? Where are the street robbers gang leaders diamond thieves gold smugglers and bank robbers? *Queens of the Underworld* reveals the incredible story of female crooks from the seventeenth century to the present. From Moll Cutpurse to the Black Boy Alley Ladies from jewel thief Emily Lawrence to bandit leader Elsie Carey and burglar Zoe Progl these were charismatic women at the top of their game. But female criminals have long been dismissed as either not real women or not real criminals and in the process their stories have been lost. Caitlin Davies unravels the myths confronts the lies and tracks down modern day descendants in order to tell the truth about their lives for the first time.
