**Impairment Rating and Disability Evaluation** Robert D. Rondinelli, Richard T. Katz, 2000 This guide offers discussions of all aspects of the assessment and evaluation of impairment and disability Included are the physician exam reporting requirements common assessment tools legal issues workers compensation Social Security and Veteran Affairs compensation and pensioning The book features detailed information on the rating reporting requirements and forms for both the United States and Canada      *Master the AMA Guides Fifth* , 2001-01-01 This is the accompanying volume to Guides to the Evaluation for Permanent Impairment and highlights changes by comparing the fifth edition with the fourth Medical and legal analysis demonstrates how the new edition sets out to change the way physicians evaluate impairment and disability and considers the legal implications      *Benchmarking the Performance of Workers' Compensation Systems* Sharon E. Belton, Sharon E. Fox, Christina S. Casteris, Carol A. Telles, 2000      **Report of Cases Determined in the Supreme Court and Court of Appeals of the State of New Mexico** New Mexico. Supreme Court, 1998      *Permanent Partial Disability Benefits* Peter S. Barth, Michael Niss, 1999      CompScope Benchmarks , 2004      Compensating Permanent Workplace

Injuries Mark A. Peterson, 1998 Workers in California experiencing injuries at work that result in permanent partial disabilities PPD are eligible to receive compensation The workers benefits doctors and attorneys fees and the system that processes the hundreds of thousands of annual claims cost employers billions of dollars each year This report evaluates the workers compensation system by examining its efficiency and the adequacy and equity of its benefits and suggests system reforms The authors conducted interviews with system participants and found that the system is still troubled by many of the same problems that plagued it before the 1989 and 1993 reforms It remains overly costly complex and litigious while delivering modest benefits The authors estimated the wage losses of PPD claimants in 1991 93 and found that even after five years the injured workers earned considerably less than controls In addition injured workers experience considerable time out of work not just immediately after the injury but also after the initial return to work The authors identified particular problems among claims categorized by the workers compensation system as minor the vast majority of claims For this group wage replacement rates were lowest Reform proposals include an elective fast track to streamline claims processing and a revision to the disability rating schedule to improve the relationship between wage loss and benefits paid
