American Cities and the Politics of Party Conventions Eric S. Heberlig, Suzanne M. Leland, David Swindell, 2017-01-01 Uncovers the politics involved when a city recruits and implements a presidential convention Political party conventions have lost much of their original political nature serving now primarily as elaborate infomercials while ratifying the decisions made by voters in state primaries and caucuses While this activity hasn't changed significantly since the 1970s conventions themselves have changed significantly in terms of how they are recruited implemented and paid for American Cities and the Politics of Party Conventions analyzes how and why cities advance through the site selection process Just as parties use conventions to communicate their policies unity and competence to the electorate cities use the convention selection process to communicate their merits to political parties businesses and residents While hosting such a mega event provides some direct economic stimulus for host cities the major benefit of the convention is the opportunity it provides for branding and signaling status Combining a case studies approach as well as interviews with party and local officials Eric S Heberlig Suzanne M Leland and David Swindell bring party convention scholarship up to date while highlighting the costs and benefits of hosting such events for tourism bureaus city administrators elected officials and the citizens they represent Treaties in Force, 2016 **The Stationery Office Annual Catalogue** Stationery Office (Great Britain), 2014 Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events Maritime Gray Zone Operations Andrew S Erickson, 2022-10-21 This book addresses the issues raised by Chinese and North Korean maritime gray zone activities in the Indo Asia Pacific region For years China has been harassing its neighbors in South China Sea and East China Sea employing both coast guard and maritime militia forces in the name of safeguarding Chinese sovereignty This behavior is frequently characterized as constituting gray zone activity As the term suggests this refers to a state of conflict that falls between peace and war Interestingly the Yellow Sea which is geographically much closer to China than South China Sea or East China Sea has been comparatively quiet However there is a danger that the PRC has the capability to replicate its gray zone activities in this area Worse North Korea has also been engaging in carefully calibrated provocations there This book addresses pressing questions about these activities and offers 1 a conceptual framework to understand maritime gray zone operations and Beijing and Pyongyang's approach with an unprecedented focus on the Yellow Sea 2 a comprehensive fully updated fleet force structure for the PRC's Coast Guard together with projections regarding how the Coast Guard is likely to develop in the future 3 an extensive organizational analysis of the PRC's Maritime Militia that surveys the many units relevant to Yellow Sea operations some revealed publicly for the first time and 4 a detailed assessment of North Korean maritime gray zone activities This book will be of great interest to students of naval strategy maritime security Asian politics and international security **Federal Register**

,2013-09 *Survey of Economic and Social Developments in the Arab Region* United Nations Publications,2016-04-25 In addition to conflicts and related security disruptions in the Arab region a significant fall in oil prices and their uncertain prospects have become a predominant economic concern with prices plunging by more than 50 per cent in the second half of 2014 Nevertheless member countries of the Gulf Cooperation Council GCC have continued to lead growth in the Arab region This edition of the Survey of Economic and Social Developments in the Arab Region looks at the continued expansion of the non oil sector as it maintains GCC economic growth Lower oil prices have not yet negatively affected the GCC economically although confidence has dropped with weakening stock markets and real estate transactions Furthermore lower oil prices have benefited oil importing Arab countries by easing their balance of payment and fiscal constraints With conflict and violence in the region one of the main channels for economic stabilization has been intraregional flows of capital and remittances from the GCC countries

Routledge Handbook of Human Rights and Climate Governance Sébastien Duyck,Sébastien Jodoin,Alyssa Johl,2018-02-15 Over the last decade the world has increasingly grappled with the complex linkages emerging between efforts to combat climate change and to protect human rights around the world The Paris Climate Agreement adopted in December 2015 recognized the necessity for governments to take into consideration their human rights obligations when taking climate action However important gaps remain in understanding how human rights can be used in practice to develop and implement effective and equitable solutions to climate change at multiple levels of governance This book brings together leading scholars and practitioners to offer a timely and comprehensive analysis of the opportunities and challenges for integrating human rights in diverse areas and forms of global climate governance The first half of the book explores how human rights principles and obligations can be used to reconceive climate governance and shape responses to particular aspects of climate change The second half of the book identifies lessons in the integration of human rights in climate advocacy and governance and sets out future directions in this burgeoning domain Featuring a diverse range of contributors and case studies this Handbook will be an essential resource for students scholars practitioners and policy makers with an interest in climate law and governance human rights and international environmental law
