1 Terry: I've going out with my brother Harry. He always pays for everybody. He just enjoys spending money! He's so different from his brother! That's my dad, of course! The only problem with Harry is that he can be rather impolite. He's got very brothers and doesn't mind before he speaks. The other day he really upset my dad when he told him the news about...
2 Jessie: My mum's amazing really. She never loses her temper, she's always really calm. She's got four children, I'm, my brother and my two sisters and has no job and she does things like cooking healthy meals before we actually do them - that she doesn't get angry. She also works full time at the supermarket and doesn't get home till about half past nine. I don't know how she fits that in. She never sleeps!
3 Mum: My brother and I have completely different personalities. I like meeting new people and am happy to chat to people I don't know - in fact, for example. But Sonja's a bit nervous in situations like that. She wants four people to come to her. But when she gets to know you and starts talking, she really makes you laugh.
4 Ernest: Marry's lovely, but we are so different! We don't look alike, and our personalities aren't alike either. For example, I don't say very much, normally I'm fairly quiet, however not the complete opposite. She never stops talking about herself! I think for example she's got fantastic marks in her exams but goes home after her training about it.
