Gabriel Faure Edward R. Phillips, 2011-04-14 First published in 2011 this research study includes a biography section as well as the works of Gabriel Urbain Faur born on 12 May 1845 Much of Faur's music especially the late pieces remain little played and little known as a result his reputation as a salon composer of pleasant music continues even among educated musicians The author suggests that it is more likely that the difficulty of much of Faur's music for the listener and the demands it places upon him or her are the principal reasons for its omission from concert programs and for a misunderstanding of Faur's place in the history of French music **The Truth Seeker**
