About Last Night English Edition:

Collaborative Poetry Translation W.N. Herbert, Francis R. Jones, Fiona Sampson, 2024-07-31 This volume provides an account of collaborative poetry translation in practice. The book focuses on the poettrio method as a case study. This process brings together the source language poet, the target language poet, and a language advisor serving as a bilingual mediator between the two. Drawing on data from over 100 hours of recorded footage and interviews, Collaborative Poetry Translation offers both qualitative and quantitative analyses of the method in practice, exploring such issues as poem selection, translation strategies, interaction between participants, and the balancing act between the different cultures at play. A final chapter highlights both the practical and research implications for practices of collaborative translation. This innovative work is situated in an interdisciplinary framework of collaborative translation, poetry translation, poetry and creative writing, and it addresses concerns ranging from the ethnography of collaboration to contemporary publishing practice. It will be of interest to students, scholars, and specialists in translation studies, comparative literature, literary studies, and creative writing, as well as creative practitioners.

The Economist, 1887 *News International and phone-hacking* Great Britain: Parliament: House of Commons: Culture, Media and Sport Committee, 2012-04-27 This report concentrates on the issue of whether witnesses have previously misled a select committee of the House of Commons over the extent and knowledge of phone hacking. The Committee concludes that several individuals misled the Committee in 2009 and more recently and that the News of the World and News International corporately misled the Committee about the true nature and extent of the internal investigations they carried out into phone hacking. Made statements that were not fully truthful and withheld documents. The companies' directors, including Rupert Murdoch and James Murdoch, should be prepared to take responsibility for these failings. The Committee reports its findings for the House of Commons to decide whether a contempt has been committed and if so what punishment should be imposed.

British Books, 1906 **Heart of Darkness (Fourth International Student Edition) (Norton Critical Editions)** Joseph Conrad, 2016-04-04 The Fourth Edition is again based on Robert Kimbrough's meticulously re-edited text. Missing words have been restored and the entire novel has been repunctuated in accordance with Conrad's style. The result is the first published version of Heart of Darkness that allows readers to hear Marlow's voice as Conrad heard it when he wrote the story. Backgrounds and Contexts provides readers with a generous collection of maps and photographs that bring the Belgian Congo to life. Textual materials, topically arranged, address nineteenth-century views of imperialism and racism and include autobiographical writings by Conrad on his life in the Congo. New to the Fourth Edition is an excerpt from Adam Hochschild's recent book King Leopold's Ghost as well as writings on race by Hegel, Darwin, and Galton. Criticism includes a wealth of new materials, including nine contemporary reviews and assessments of Conrad and Heart of Darkness and twelve recent essays by Chinua Achebe, Peter Brooks, Daphne Erdinast, Vulcan Edward Said, and Paul B. Armstrong, among others. Also new to this edition is a section of writings on the connections between Heart of Darkness and
