**Drop Shame, Live Lighter** Sybex Books,2025-06-23 Peace doesn't come from pretending everything is fine It comes from finally telling the truth Discover Peace Through Radical Self-Honesty is a powerful invitation to take off the emotional armor and face yourself fully not to shame or fix what you find but to understand embrace and finally breathe This book guides you through the courageous practice of radical self-honesty not the performative kind that looks good on paper but the raw real truth telling that sets your nervous system free You'll learn how to confront uncomfortable patterns acknowledge where you've been hiding and gently unravel the stories you've told yourself to survive You'll also discover how to Recognize emotional avoidance and confront it with grace Say the hard things to yourself and others without spiraling Use truth as a healing force not a weapon Let go of guilt not just bypass it Because real peace isn't the absence of problems It's the absence of pretense It's living with no secrets from yourself When you stop editing your truth you stop holding your breath And in that space you finally exhale If you've been trying to keep it all together this book will show you the freedom in falling apart the power in honesty and the relief of being exactly who you are
