

How to Become a Successful Commercial

Model

Aaron Marcus

You don't have to be tall, thin and beautiful to see yourself in newspaper, catalog, poster or billboard ads. Thousands of beautiful and "real" looking people are cast as commercial models throughout most markets in North America, and earn up to \$250 an hour.

"This 'cookbook' for commercial modeling will teach you everything you need to know to get started, find agents and photographers, create photos that can get you work and book jobs on your own. It is the most complete and informative commercial modeling book available."
