*The Bangkok Asset* John Burdett, 2015-09-03 In his latest case Sonchai is paired with young female inspector Krom Like him she s an outsider on the police force but she is socially savvy and a technological prodigy In the midst of a typhoon they witness a deadly demonstration of super human strength from a man who is seemingly controlled by a CIA operative Could the Americans really have figured out a way to create some sort of super soldier who is both physically and psychologically enhanced Are they testing it or him on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye The case will take Sonchai to a hidden Cambodian jungle compound for aging American vets where he will discover exactly how far a government will go to protect its very worst secrets both past and present It is also a case that will shake Sonchai s world to its very foundation and may finally force him to confront his lost father

**The Bangkok Asset** John Burdett, 2015-08-04 Sonchai Jitpleecheep the brash and beguiling Royal Thai Police Force detective who has been our guide through John Burdett s five previous acclaimed Bangkok novels is back The former monk and devout Buddhist forever battling to protect his karma from the assaults of morally compromising cases is now faced with the most horrifying technological innovation to make its way to the streets of Bangkok and a conspiracy of almost unfathomable reach With Sonchai on this case is the young female inspector Krom Like Sonchai she s an outsider on the police force but unlike him she is socially savvy and a technological prodigy When they re called to a demonstration in the midst of a typhoon of the deadly superhuman strength of an American man who is seemingly controlled by a CIA operative they have no idea what they re actually witnessing or why Their reliably obtuse and unequivocally crooked boss Colonel Vikorn explains some of it but the most telling questions remain unanswered Could the Americans have figured out a way to create a physically and psychologically enhanced supersoldier Are they testing him or it on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye Searching for the answers to these questions Sonchai and Krom find themselves in a remote Cambodian jungle compound for aging American ex soldiers where they will discover just how far a government will go to protect its worst secrets both past and present But the case will also have much more personal repercussions for Sonchai shaking his world to its very foundation and perhaps finally forcing him to confront his long lost American father
