## • Book Basics

### AUTHOR

William Faulkner

### YEAR PUBLISHED

1936

### GENRE

Drama

### PERSPECTIVE AND NARRATOR

The story shifts among the voices of several different narrators, each of whom has a different view of the events they describe; there is also some omniscient narration.

### TENSE

*Absalom, Absalom!* is told in the past tense.

### ABOUT THE TITLE

The title *Absalom, Absalom!* refers to the story of King David and his son Absalom in the Old Testament of the Bible (2 Samuel). While the novel's narrative does not follow the biblical story precisely, it includes parallels such as sibling incest, fratricide, and rebellion against the father.

## • In Context

*Absalom, Absalom!* is a story of the American South spanning from the early years of the 19th century through the Civil War and on through Reconstruction to the narrative present in 1900. This crucial period of Southern history entails a host of influences and issues the novel takes up.

## Southern Culture and Economics

In the pre-Civil War period, the Southern economy was based on agriculture. Rich plantation owners derived their wealth from the labor of chattel slaves. Large-scale agriculture (especially cotton crops) and the wealth it brought depended on slave labor. Slavery and racism—and all the evils that attended them—infuse *Absalom, Absalom!* with much of its underlying conflict and tragedy.

Wealthy white Southern women of this era were treated as delicate greenhouse flowers whose purity and fragility had to be protected. The code of honor that underpinned every rich, respectable Southern family was based, at least to some extent, on the inviolable purity of its women.

The Civil War (1861–65) began after the anti-slavery candidate Abraham Lincoln was elected president in 1860 and the South
