## **Historic Roswell Georgia Images Of America:**

*Seeking Eden* Staci L. Catron, Mary Ann Eaddy, 2018-04-15 *Seeking Eden* promotes an awareness of and appreciation for Georgia's rich garden heritage. Updated and expanded here are the stories of nearly thirty designed landscapes first identified in the early twentieth century publication *Garden History of Georgia* 1733-1933. *Seeking Eden* records each garden's evolution and history as well as each garden's current early twenty-first century appearance as beautifully documented in photographs. Dating from the mid-eighteenth to the early twentieth centuries, these publicly and privately owned gardens include nineteenth-century parterres, Colonial Revival gardens, Country Place era landscapes, rock gardens, historic town squares, college campuses, and an urban conservation garden. *Seeking Eden* explores the significant impact of the women who envisioned and nurtured many of these special places, the role of professional designers including J. Neel Reid, Philip Trammel Shutze, William C. Pauley, Robert B. Cridland, the Olmsted Brothers, Hubert Bond Owens, and Clermont Lee, and the influence of the garden club movement in Georgia in the early twentieth century. **FEATURED GARDENS** Andrew Low House and Garden, Savannah; Ashland Farm, Flintstone; Barnsley Gardens, Adairsville; Barrington Hall and Bulloch Hall, Roswell; Battersby Hartridge Garden, Savannah; Beech Haven, Athens; Berry College, Oak Hill; and House of Dreams, Mount Berry. Bradley Olmsted Garden, Columbus; Cator Woolford Gardens, Atlanta; Coffin Reynolds Mansion, Sapelo Island; Dunaway Gardens, Newnan; Governor's Mansion, Atlanta; Hills and Dales Estate, LaGrange; Lullwater Conservation Garden, Atlanta; Millpond Plantation, Thomasville; vicinity Oakton, Marietta; Rock City Gardens, Lookout Mountain; Salubrity Hall, Augusta; Savannah Squares, Savannah; Stephenson Adams Land Garden, Atlanta; Swan House, Atlanta; University of Georgia North Campus, the President's House and Garden, and the Founders Memorial Garden, Athens; Valley View, Cartersville; vicinity Wormsloe and Wormsloe State Historic Site, Savannah; vicinity Zahner Slick Garden, Atlanta.

[The Georgia Catalog, Historic American Buildings Survey](#) John Linley, 1982. From the elegant townhouses of Savannah to the towering hotel and office complexes of Atlanta, the state of Georgia has a distinguished architectural tradition. No other work documents this rich heritage as comprehensively as *The Georgia Catalog*. Prepared under the auspices of the Historic American Buildings Survey, this carefully researched and beautifully illustrated volume will be an invaluable resource for architects, preservationists, historians, and those who own the historic houses or who simply are interested in Georgia's architectural legacy. The book is in two parts. The first is a history of and guide to the architecture of the state. John Linley begins his survey with the remains of prehistoric civilization and the architecture of the first European settlers. He traces the development of a native architecture in the state, the flowering of the Greek Revival style, the functional architecture of commerce and industry, and the energy and imagination of urban architecture in the late twentieth century. The text reflects the author's interest in the rationale and logic that produced the architecture and in the lessons that the past has for the present and the future. He also emphasizes the influence of climate, ecology, landscape, and city planning on both historic and contemporary architecture. The second section of *The Georgia*

Catalog is a complete updated listing of nearly four hundred sites in the Historic American Buildings Survey Each entry gives the precise location of the site a brief description of the structure the date of construction and the name of the architect if known changes in name structure or location of the building its present condition any facts of historical significance and the number and dates of drawings photographs and data sheets in the HABS collection at the Library of Congress To add to its value as a guide the volume also includes a glossary of architectural terms and a list of Georgia properties that are included in the National Register of Historic Places have been designated National Landmarks or are part of the Historic American Engineering Record

**Historic Roswell, Georgia** Joe McTyre, Rebecca Nash Paden, 2001 In the 1830s and 1840s low country planters came to Roswell Georgia seeking relief from the heat and malaria that plagued Georgia's golden coast The wealthy plantation owners were attracted to the temperate North Georgia climate by Roswell King a former Glynn County plantation supervisor builder and entrepreneur who promised his friends free land on which to build their homes and stock in the textile mill he built in 1839 The village of Roswell was laid out in 1840 with wide streets a park mills and a residential area and a community founded by devout Presbyterians and hard working industrialists began to take shape By the onset of the Civil War Roswell had two cotton mills a woolen mill and flour and grist mills nearby The town's strategic location near the Chattahoochee River made it a target of Union Gen William T Sherman during his March to the Sea in 1864 While Federal soldiers occupied Roswell that summer none of the grand homes of the town were destroyed Residents persevered the tolls of war and Reconstruction to rebuild mills and strengthen the local economy A small and rural community through the early part of the 20th century Roswell experienced phenomenal growth in the latter half of the century to become a bustling Atlanta suburb yet much of the charm and small town character remains and thousands of tourists are attracted each year by its beautiful antebellum homes and buildings These treasured landmarks are the subject of this engaging retrospective and each snapshot glimpse will illuminate the Roswell of yesteryear

**The Tifts of Georgia** John D. Fair, 2010 This unique book addresses the under analyzed subject of internal migration in American historiography by showing the impact of eight generations of a family from New England on the development of Southern Georgia from the eighteenth to the end of the twentieth centuries Focusing on cross regional influences The Tifts of Georgia sheds new light on such traditional topics as paternalism cultural assimilation and race relations Originally from Mystic Connecticut the Tifts migrated to Key West Florida where they profited from the wrecking trade set up business operations at various points along the eastern coast of the United States and eventually made a significant impact on some of

the less developed areas of Georgia The most important member of the family was Nelson Tift a pioneer businessman who founded the city of Albany Georgia in the 1830s and played a major role on behalf of his adopted state during the Civil War and Reconstruction His enterprises were often coordinated with his brother Asa in Key West Their nephew Henry Harding Tift founded Tifton and Tift County and Tift College in Forsyth was named for Henry s wife Bessie a major benefactor Later Tifts were not only involved in the continued development of Albany and Tifton but made significant contributions to the economy and civic life of Macon Atlanta and other communities The most important theme embodied in this monograph is how the Tifts brought Connecticut Yankee values to the South but were in turn transformed into Southerners The Tifts of Georgia is richly illustrated with charts maps and original photographs This history of an important Georgia family should be of special interest to professional and amateur historians sociologists cultural anthropologists and genealogists

**The Magazine of American History with Notes and Queries** John Austin Stevens,Benjamin Franklin DeCosta, Henry Phelps Johnston, Martha Joanna Lamb, Nathan Gillett Pond, 1892

**Lost Mills of Fulton County** Lisa M. M. Russell, 2023-03-13 Labor conflicts arrests espionage it was all there at the once ubiquitous mills of Fulton County Employee records and snatches of paper prove workers spied on each other Company owners were paranoid about labor unions taking over Copious documentation unearthed here by author Lisa M Russell brings the workaday drama back to life These mills sustained families but exploitation was far from uncommon When mill workers finally went on strike there was hell to pay The company bosses yanked strikers from their shacks With the help of Governor Talmadge the National Guard arrested working women with their children They marched these criminals to a former WWI prisoner of war camp that once held enemy German soldiers Hard to believe this was happening in and around Atlanta in the early 1900s

**Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1975

**Women in Atlanta** Staci Catron-Sullivan, Susan Neill, 2005 The photographs in this book drawn from the collections of the James G Kenan Research Center at the Atlanta History Center depict Atlanta women at work and at play from the mid nineteenth century to the 1970s Original

**The Courthouse and the Depot** Wilber W. Caldwell, 2001 Their songs insist that the arrival of the railroad and the appearance of the tiny depot often created such hope that it inspired the construction of the architectural extravaganzas that were the courthouses of the era In these buildings the distorted myth of the Old South collided head on with the equally deformed myth of the New South

*American Heritage Illustrated History of the Presidents* Michael R. Beschloss, 2000 Every day our lives are affected by what the American president does But there are some things we cannot know about presidents until many years after they leave office what really went on behind the scenes and how great their leadership was That is the mission of this book American Heritage is known and trusted for its standard bearing single volume histories Its various editions on the American Civil War and World War II edited by such distinguished scholars as James McPherson and Stephen Ambrose are recognized as classics and have together sold more than a million copies The American Heritage R Illustrated History of the Presidents is

newly available in a richly illustrated and completely revised edition with the preeminent presidential historian Michael Beschloss as general editor This new book offers fresh and penetrating portraits of all forty two presidencies as rendered by some of America s most distinguished scholars From George Washington s reluctant oath taking through Bill Clinton s turbulent leadership we view forty one ambitious and fallible men through the new lens of the twenty first century Where did they succeed Where did they fail What do we know now that we could not have known at the time The American Heritage R Illustrated History of the Presidents offers a biographical profile of each man and a full account of the issues and events that shaped each presidency with pathbreaking new verdicts on the modern presidents Nixon Ford Carter Reagan Bush and Clinton In the tradition of other American Heritage volumes the book will serve as an indispensable reference guide for many years to come for both seasoned observers and students just learning about the presidency American Heritage is a trademark of American Heritage Inc Its use is pursuant to a license agreement **American Book Publishing Record** ,1997
