ISE SOCIOLOGY RICHARD T. SCHAEFER,2021      **Sociology** Richard T. Schaefer,2006 Like its predecessors the tenth edition of this text reflects Schaefer's mission to bring readers a comprehensive up to date presentation that teaches students how to think critically about society and their own lives from a wide range of classical and contemporary perspectives

Sociology Matters Richard T. Schaefer,2007-02-23 Richard Schaefer's Sociology Matters is a very concise introduction to the discipline of sociology Its straightforward style streamlined design and highly focused coverage make it the perfect short affordable introductory text for instructors who use a variety of materials in their course Sociology Matters helps students understand and connect to the topics it covers by answering the question How does sociology matter After more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in London and even a maximum security prison I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer

*A Workbook for an Introductory Course in Sociology* Jose A. Fadul,Ronan S. Estoque,2010-05-27 A workbook for an introductory course in Sociology a broad discipline in terms of both methodology and subject matter Topics include social stratification i e class relations religion secularization modernity culture and deviance and approaches include both qualitative and quantitative research techniques This is because as much of what humans do fits under the category of social structure and agency sociology has gradually expanded its focus to further subjects such as medical military and penal organizations the internet and even the role of social activity in the development of scientific knowledge The range of social scientific methods has also been broadly expanded The linguistic and cultural turns of the mid 20th century led to increasingly interpretative hermeneutic and postmodern approaches to the study of society Conversely the workbook applies new mathematically rigorous approaches such as social network analysis

Fundamentos de Sociologia - 6ª Edição Richard T.
