Using Peer Tutoring to Improve Reading Skills is a very practical guide offering a straightforward framework and easy to implement strategies to help teachers help pupils progress in reading. A succinct introduction it shows how schools can make positive use of differences between pupils and turn them into effective learning opportunities. Outlining the evidence base supporting peer tutoring approaches it explores the components of the reading process and explains how peer tutoring in reading can be used with any method of teaching reading. Core topics covered include Planning and implementing peer tutoring, Getting your school on board, How to structure effective interaction, Training peer tutors and tutees, Paired Reading, cross ability approaches, One Book for Two, fostering fluency, reading comprehension and motivation, Reading in Pairs, cross and same year tutoring, Supporting struggling readers, Involving families in peer tutoring, Evaluation and feedback. Illustrated throughout with practical examples from diverse schools across Europe. Using Peer Tutoring to Improve Reading Skills is an essential introduction offering easy to use guidelines that will support teachers in primary and secondary schools as they enhance pupil motivation and improve reading standards.

The Learning Communities Guide to Improving Reading Instruction Valerie Hastings Gregory, Jan Rozzelle-Nikas, 2005. This is an important book. The themes of attending to individual needs, providing assessment driven instruction and creating long term focused professional development plans are solid and consistent throughout. Gay Ivey, Graduate Program Coordinator, Reading Education Program, James Madison University. This book does a wonderful job of bridging the chasm that often exists between the separate worlds of higher education and K-12 educators. It applies powerful research findings and nontechnical jargon free advice for classroom teachers. From the Foreword by Richard DuFour and Rebecca DuFour: Create professional learning communities to improve reading instruction and students performance. After observing over 300 classrooms authors Valerie Hastings Gregory and M. Jan Rozzelle provide the perfect framework, knowledge and tools necessary to help create a community of literacy coaches, leaders and teachers to improve reading across schools. Demonstrating the critical link

between adult learning and student learning that makes professional learning communities our best hope for improving reading and comprehension for today's students this rich developmental resource provides solid information powerful research findings specific pragmatic and proven strategies that teachers can apply immediately in the classroom Key features and benefits for implementation include Reflective survey of look fors to identify strengths and weaknesses How to and when to guidelines for strategies A learning communities model for professional development for reading instruction providing the groundwork for effective and lasting improvement Valuable tables charts planning guides and reproducibles to facilitate discussion reflection and goal setting The Learning Communities Guide to Improving Reading Instruction will help educators identify and apply new approaches improve and add to their instructional repertoire and ultimately benefit their students reading performance so no child or teacher is left behind Improving Reading Skills Deanne Milan
