The Life and Times of a Cold War Serviceman Maurice F. Mercure, 2012-11 This book may be dry in parts but it is exactly how a serviceman s life unfolds It may seem strange to some people that your day to day existence

daily life is dictated by pieces of paper It is not like a civilian that does not have a rigid routine with military precision In one sense it gives you a feeling of security knowing what is laid out for you On the other hand it gives you the feeling that someone else is pulling the strings for you to act As you retain copies of all these orders paperwork for your personal files you have a running chronological history of your life It covers all aspects the good the bad and the ugly It may be hard for a civilian nonmilitary person who has not had any exposure to military life to understand all the paperwork in this book While reading this book take a moment to see how different a serviceman s life is compared to a civilian s
