**Research and Publication Ethics** Nimit Chowdhary, Sunayana, Monika Prakash, 2024-06-03 This book provides a comprehensive overview of research and publication ethics and guides young researchers on how to conduct ethical research and publish their work responsibly. It presents an understanding of ethical practices in research and how they apply to research and publication by examining the different ethical theories and their application. The book also discusses the different factors influencing ethical decision making and probes into the ethical issues that can arise in the research process. It explores the different forms of scientific misconduct such as data fabrication and falsification, plagiarism and conflicts of interest and provides strategies for ethical research. The book also details the impact of scientific misconduct on research and publication and the strategies for preventing and detecting misconduct. Aligning to the belief that promoting ethical research practices is essential for advancing science and society, this book will be helpful for young researchers, scholars, aspiring researchers and academicians interested in ethical research practices in multiple disciplines. *Completing Your Qualitative Dissertation* Linda Dale Bloomberg, Marie Volpe, 2018-11-06 *Completing Your Qualitative Dissertation* offers comprehensive step by step guidance and practical tools for navigating the personal and professional challenges that can arise during the qualitative dissertation journey. Authors Linda Dale Bloomberg and Maria Volpe skillfully blend the conceptual, theoretical and practical, empowering readers to successfully master both the content and the process of their qualitative dissertations. The Fourth Edition has been thoroughly updated to respond to developments in the field, allowing the book to have wider application for dissertation work within the evolving world of qualitative inquiry. Included in this edition is a new chapter titled *Achieving Alignment Throughout Your Dissertation*, a greater focus on how all qualitative traditions can encompass activist research and social justice inquiry, and enhanced coverage on the role of the researcher, emphasizing the importance of reflexivity and approaching research critically. **How to Write a Master's Thesis** Yvonne N. Bui, 2009-04-22 *How to Write a Master's Thesis* is a comprehensive manual on how to conceptualize and write a five chapter master's thesis, including the introduction, literature review, methodology, results and discussion, conclusion. Very often, a theory-practice gap exists for students who have taken the prerequisite methods and statistics courses in their master's program but who have yet to understand how to apply and translate what they've learned about the research process with their first major project. Yvonne Bui demystifies this process by integrating the language learned in these prerequisite courses into a step by step guide for developing one's own thesis project. *The Complete Guide to Referencing and Avoiding Plagiarism* Colin Neville, 2007-07 This book provides a clear, detailed and comprehensive guide for all pre-degree, undergraduate and postgraduate students on the main styles of referencing. *The Psychology Research Handbook* Frederick T.
