Accounting An Introduction 4th Edition:

Accounting E. J. McLaney, Peter Atrill, 2008 **Management** Tim Hannagan, Roger Bennett, 2007 Managers face increasingly rapid changes in the technology culture and environment in which they work This book analyses the challenges and rewards facing managers in terms of theory and practice in all areas of management **Inside Track to Successful Academic Writing** Andy Gillett, Angela Hammond, Mary Martala, 2013-09-26 Successful Academic Writing guides students through the whole process of academic writing developing their ability to communicate ideas and research fluently and successfully From understanding the task and planning essays or assignments right through to utilising feedback it will ensure students are able to get much more out of the writing process *Accounting in Central and Eastern Europe* Catalin Albu, Razvan Mustapa, 2013-12-05 This volume examines the accounting issues within Central and Eastern Europe looking back to the fall of communism 1980s 90s and its effect on the countries accounting and business models Teaching IFRS Richard M.S. Wilson, Ralph W. Adler, 2013-09-13 The increasing pace of global conformance towards the adoption of International Financial Reporting Standards IFRS highlights the need for accounting students as well as accounting practitioners to be conversant with IFRS Teaching IFRS offers expert descriptions of and insights into the IFRS convergence process from a teaching and learning perspective Hence this book is both timely and likely to have considerable impact in providing guidance for those who teach financial reporting around the world The contents of the book come from authoritative sources and offer something distinctive to complement the existing textbooks which typically focus on the technical aspects of IFRS and their adoption Drawing upon the experiences of those who have sought to introduce IFRS related classroom innovations and the associated student outcomes achieved therefrom the book offers suggestions about how to design and deliver courses dealing with IFRS and catalogues extensive listings of IFRS related teaching resources to support those courses This book was originally published as a special issue of Accounting Education An international journal
