Auditing and Assurance Services David N. Ricchiute, 2003 Auditing and assurance service education has undergone dramatic change in at least three ways 1 An awakening that practitioners have a comparative advantage in offering professional services that transcend the boundaries of financial statements 2 An understanding that client strategies affect engagement risk and 3 A transition away from first person delivery by classroom instructors only and toward third person discovery by students both within and outside of the classroom Each has influenced the seventh edition To transcend the boundaries of financial statements Auditing and Assurance Services exposes students both to the demand for and the supply of the profession s flagship service financial statement audits and to the nature of the value added assurance services decision makers demand in the information age

Principles of Accounting, Chapters 1-14 Paul D. Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2004-01-23 This book starts with a macro view of accounting information by presenting real financial statements The authors establish how financial statements communicate the financing operation and investing activities of a business To integrate the use of financial statements for decision making the authors identify a finite set of tools necessary to make business decisions based on financial information The Decision Toolkit is provided for the reader and integrated throughout the text
