[Guide to Writing about Multivariate Analysis](#) Jane E. Miller,2008-04-15 Writing about multivariate analysis is a surprisingly common task Researchers use these advanced statistical techniques to examine relationships among multiple variables such as exercise diet and heart disease or to forecast information such as future interest rates or unemployment Many different people from social scientists to government agencies to business professionals depend on the results of multivariate models to inform their decisions At the same time many researchers have trouble communicating the purpose and findings of these models Too often explanations become bogged down in statistical jargon and technical details and audiences are left struggling to make sense of both the numbers and their interpretation Here Jane Miller offers much needed help to academic researchers as well as to analysts who write for general audiences The Chicago Guide to Writing about Multivariate Analysis brings together advanced statistical methods with good expository writing Starting with twelve core principles for writing about numbers Miller goes on to discuss how to use tables charts examples and analogies to write a clear compelling argument using multivariate results as evidence Writers will repeatedly look to this book for guidance on how to express their ideas in scientific papers grant proposals speeches issue briefs chartbooks posters and other documents

Communicating with multivariate models need never appear so complicated again **Easy Money** Eddie Akpan,2008-11 Are you in control of your financial destiny Is your financial house a fortress of calm and stability even in a time of global economic storm Easy Money gives you the tools and confidence to be your own financial boss Handling money is akin to putting together a gigantic jigsaw puzzle it requires visualizing and assembling numerous tiny pieces Regardless of your earnings you can be your own boss by spending like millionaires getting loans on your own terms having an edge over your peers in education having the gift to spot business opportunities buying the right securities and selling at the right time understanding the intricacies of real estate transactions keeping your body and teeth in shape to stay out of health clinics being conscious of what you spend on transportation and starting early to incubate your nest egg Yes Putting together a high net worth cash position takes work And Easy Money is there to help Phenomenal wealth is accumulated by those who have the right knowledge the knowledge that creates wealth *Reproducible Copies of Federal Tax Forms and Instructions*
