CHEVY VENTURE AND THE MARKETPLACE

Since its introduction in 1997, Venture has not only received a multitude of positive press reviews and captured a variety of awards but it has been outpacing previous Chevy minivan sales records.

And for good reason. With to-day's time-challenged families, Venture offers everything that a family could want in a minivan – versatility, contemporary styling and safety. Wrapped inside its updated exterior styling are standard side air bags, standard 7-passenger seating, generous cargo room, trailering up to 3,500 lbs. (when properly equipped), and more standard horsepower than most other minivans.

The versatile Venture lineup offers a choice of wheelbases, a choice of doors and a choice of passenger or cargo vans.

And in the competitive minivan segment, versatility is everything.
