varying abilities making it a unique tool for teachers Renowned authors Jana Echevarria and Anne Graves address the

important overlap between sheltered instruction and special education adaptations The Third Edition of Sheltered Content

Instruction captures the vitality of modern classrooms by speaking specifically to instruction in the content areas and

confronting the fact that students learning English might struggle in those subjects The authors provide practical methods

that demonstrate how to implement this type of instruction with a full range of learners A classic text in the field the Third

Edition of Sheltered Content Instruction is comprehensively revised and updated in a new full workbook size format One
