Dias,Charles J. Eick,Laurie Brantley-Dias,2013-07-08 Science teacher educators prepare and provide professional  
development for teachers at all grade levels They seek to improve conditions in classroom teaching and learning professional  
development and teacher recruitment and retention Science Teacher Educators as K 12 Teachers Practicing What We Teach  
tells the story of sixteen teacher educators who stepped away from their traditional role and entered the classroom to teach  
children and adolescents in public schools and informal settings It details the practical and theoretical insights that these  
members of the Association of Science Teacher Educators ASTE earned from experiences ranging from periodic guest  
teaching to full time engagement in the teaching role Science Teacher Educators as K 12 Teachers shows science teacher  
educators as professionals engaged in reflective analysis of their beliefs about and experiences with teaching children or  
adolescents science With their ideas about instruction and learning challenged these educators became more aware of the  
circumstances today s teachers face Their honest accounts reveal that through teaching children and adolescents teacher  
educators can also renew themselves and expand their identities as well as their understanding of themselves in the  
profession and in relation to others Science Teacher Educators as K 12 Teachers will appeal to all those with an interest in  
science education from teacher educators to science teachers as well as teacher educators in other disciplines Its narratives  
and insights may even inspire more teacher educators to envision new opportunities to serve teachers K 12 learners and the
