DIGITAL MARKETING ESSENTIALS A Practical Guide for Modern Marketers Dr. Soni Kumari, The digital era has revolutionized how businesses connect, communicate and create value for their customers. Marketing, once confined to print, radio and television, has undergone a profound transformation with the advent of the internet and social media. Today, the marketer's toolkit is redefined by data analytics, search engine optimization, social media engagement and automation tools that make interactions faster, smarter and measurable. Digital Marketing Essentials: A Practical Guide for Modern Marketers has been conceptualized and designed to serve as a comprehensive academic and practical reference for learners, educators and professionals navigating this dynamic digital landscape. This book systematically explores the foundations and applications of digital marketing through a structured, learner-centric approach. It covers essential areas such as Search Engine Optimization (SEO), Search Engine Marketing (SEM), Social Media Marketing, Content Strategy, Email Campaigns and Digital Analytics, supported by real world case studies, visual frameworks and actionable insights. Each unit aims to bridge the gap between theory and practice, ensuring that readers not only understand digital concepts but can also apply them effectively in professional scenarios. In developing this work, the emphasis has been placed on clarity, relevance and applicability. The chapters are aligned with the evolving academic curriculum and industry expectations, integrating conceptual understanding with hands on tools used by modern marketers.

The inclusion of Check Your Progress sections practical examples and curated references further enhances the reader's engagement and comprehension. The author extends heartfelt gratitude to colleagues, mentors, students, and professionals who contributed their insights and feedback during the development of this book. Their encouragement and critical perspectives have played a vital role in refining the content. Special thanks are due to the Institute of Management Studies, Ranchi University, for fostering an environment that promotes academic excellence and innovation. It is hoped that this book will serve as a valuable guide for students, educators, and marketing practitioners seeking to master the evolving dimensions of digital marketing. In a world where technology continues to reshape communication and commerce, the knowledge contained within these pages aspires to equip readers with both the strategic thinking and practical skills necessary to thrive as future-ready marketers. Dr. Soni Kumari, Assistant Professor, Institute of Management Studies, Ranchi University.

Putting Social Media to Work Gemma Reucroft, 2015-04-29. Social media has the power to change everything. It is simply that impactful. How we communicate and collaborate. How we lead and how we learn. How we engage and communicate with the people that work for us and buy from us. How we do the day job. Who has power. Who is considered to be a leader. How and where we do the work that we do. We live in an increasingly open and transparent world. Social media offers greater opportunities to rethink some of the old ways of working than organisations have had before. This book will explain why understanding social and getting social is important for individuals and organisations alike and why whatever your personal perspective on all things social media you cannot ignore it. The authors share their own experiences of what social has done for them professionally and will give you some ideas on how to implement social for you or where you work. How to build your business case, how to overcome the obstacles of implementing social and managing both the practicalities and the myths. This is the social world. Are you ready?

The dangers of social media. How cancel culture and shitstorms can affect companies and how to recover from it Kira Mertens, 2022-05-31. Bachelor Thesis from the year 2020 in the subject Communications, Public Relations, Advertising, Marketing, Social Media, grade 1.1. Westfälische Hochschule Gelsenkirchen Bocholt Recklinghausen, language English, abstract. The following Bachelor thesis is meant to analyze if and how cancel culture and shitstorms online, especially on social media, can affect companies and how affected companies can recover from the outcomes. For avid social media users,

online shitstorms especially on the platform Twitter can frequently be witnessed It was therefore a very interesting topic to look further into to be able to understand what can trigger a shitstorm and what the consequences for companies could look like This thesis is also supposed to answer if or how a company can recover from a shitstorm if they were affected by one Furthermore it is meant to show what effective measurements could look like and if shitstorms could even be prevented in the first place and if yes how they could be prevented To achieve that the first step will be to take a closer look at what makes social media so important to businesses For that an insight on the most important social media apps and websites will be given After that the dangers of social media to companies will be analyzed The thesis will then continue by showing what makes shitstorms and cancel culture dangerous to a company To achieve that possible triggers of a shitstorm will be analyzed as well as what phases a shitstorm has and what possible outcomes could look like Furthermore a closer look will be taken at how consumers react to shitstorms by analyzing the results of a self made survey The survey was made to understand if and how consumers let shitstorms influence their buying decisions and if they would stop buying a certain product or brand if they were involved in a shitstorm Following that three companies Nestl Amazon and Nike which have already been at the center of a shitstorm will be analyzed as case studies To analyze the companies a closer look will be taken at the reasons for these shitstorms how each company was affected in terms of image and revenue and how they handled the situation Furthermore it will be explained if shitstorms could be prevented in the first place and how to successfully manage and recover from a shitstorm when affected by one For this a best practice example will be given in chapter 6

entrepreneur and renowned thought leader Clara Shih identifies powerful new opportunities created by social media across the entire customer lifecycle. As described in the book's foreword written by Starbucks Chairman and CEO Howard Schultz this guide is a must read for all professionals. From boards of directors CEOs and Chief Marketing Officers to front line sales managers recruiters IT and compliance directors no role is untouched by the social mobile digital transformation. This book explains how to adapt and thrive in this brilliant new world order by understanding the transformation taking place not only in one's own department but across the customer journey. Only with this broader understanding can functional leaders collaborate on delivering a cohesive experience spanning previous organizational silos. Going far beyond her global bestseller *The Facebook Era* Shih offers unprecedented insights into why and how traditional organizations must re-imagine their existing business processes to capture the digital last mile across social mobile messaging apps Internet of Everything and the collaborative economy. Drawing on her immense experience helping Fortune 500 companies operationalize digital transformation to drive measurable uplift in sales and loyalty Shih also presents powerful new case studies spanning multiple industries and companies from Wells Fargo to Warby Parker. A book worth reading a voice worth listening to from a leader of real consequence. A clarion call on the promise and potential of social channels to transform business. Walter Robb Co CEO Whole Foods Market. This is a must read for any business leader who wants to thrive in this time of disruptive change. Chip Bergh President CEO Levi Strauss Co. Whether you're a global brand small local business or individual who wants to turn your passion into a livelihood this book simply and clearly articulates how to channel the power of social media to delight audiences and grow your business. Marne Levine COO of Instagram. Almost overnight social media has transformed business and the way we as companies interact with our customers. In a way social media has become part of everyone's job. Clara's book gets right to the heart of the matter and gets us thinking critically about what could be next on this roller coaster ride. Robin Hayes President and CEO JetBlue. The power of Clara's book is it highlights not only social media practices but fundamental business practices and how company leaders need to entirely rethink customer engagement models. The implications for every business regardless of industry or geography of today's social connected consumer cannot be overstated. This book provides a powerful vision and compelling call to action for company leaders everywhere. Ted Mathas Chairman and CEO New York Life.
