

AP Living: Rowlener Choice Board Reflections

Dear Home Folks: Just learned Classroom Choice Reflections. Thanks coming from kids, parents, grandparents, and community that have been submitted to the Board by the students. Great and honest book group reflections.

1. Classroom and Home reflections responses reflect personal and individualized reflections.
2. Cooperative reflections are reflective responses from other community members.
3. Large group reflections (of the students responses and reflections) are more collective responses.
4. Photo of myself giving a speech (with a 100% participation) are great because they show how great people are, especially in this stage with coronavirus. **Health tip:**

Photo reflections make everyone see themselves and their strengths and weaknesses. I think it's great to see students take ownership of their own growth and development. I think it's great to see students take ownership of their own growth and development.
