### **AP Literature and Composition**

Choose **ONE** of the essay options and write a well-developed essay that fully responds to the prompt, including appropriate textual evidence and citations. Remember, when you cite a play you should use this format: (Act.scene.lines) Ex: (Liv.82-85).

This is due on Friday, December 5. Please type, double-space your essay, and submit it to Turnitin.com. Your heading, in MLA format, should clearly indicate which prompt you have chosen.

#### **Essay Option A:**

The most important themes in literature are sometimes developed in scenes in which a death or deaths take place. Write a well-organized essay in which you show how a specific death scene helps to illuminate the meaning of the work as a whole. **Focus on analysis and avoid mere plot summary.**

#### **Essay Option B:**

One of the strongest human drives seems to be a desire for power. Write an essay in which you discuss how a character in *Hamlet* struggles to free himself or herself from the power of others or seeks to gain power over others. Be sure to demonstrate in your essay how the author uses this power struggle to enhance the meaning of the work. **Focus on analysis and avoid mere plot summary.**

#### **Essay Option C:**

In some works of literature, a character who appears briefly, or does not appear at all, is a significant presence. Choose a novel or play of literary merit and write an essay in which you show how such a character functions in the work. You may wish to discuss how the character affects action, theme, or the development of other characters. **Focus on analysis and avoid mere plot summary.**

#### **Essay Option D:**

One definition of madness is “mental delusion or the eccentric behavior arising from it.” But Emily Dickinson wrote “Much madness is divinest Sense — To a discerning Eye—” Novelists and playwrights have often seen madness with a “discerning Eye.” Consider *Hamlet*, in which a character’s apparent madness or irrational behavior plays an important role. Then write a well-organized essay in which you explain what this delusion or eccentric behavior consists of and how it might be judged reasonable. Explain the significance of the “madness” to the work as a whole. **Focus on analysis and avoid mere plot summary.**

**Developing and Validating Test Items** Thomas M. Haladyna,Michael C. Rodriguez,2013-07-18 Since test items are the building blocks of any test learning how to develop and validate test items has always been critical to the teaching learning process As they grow in importance and use testing programs increasingly supplement the use of selected response multiple choice items with constructed response formats This trend is expected to continue As a result a new item writing book is needed one that provides comprehensive coverage of both types of items and of the validity theory underlying them This book is an outgrowth of the author's previous book Developing and Validating Multiple Choice Test

Items 3e Haladyna 2004 That book achieved distinction as the leading source of guidance on creating and validating selected response test items Like its predecessor the content of this new book is based on both an extensive review of the literature and on its author's long experience in the testing field It is very timely in this era of burgeoning testing programs especially when these items are delivered in a computer based environment Key features include Comprehensive and Flexible No other book so thoroughly covers the field of test item development and its various applications Focus on Validity Validity the most important consideration in testing is stressed throughout and is based on the Standards for Educational and Psychological Testing currently under revision by AERA APA and NCME Illustrative Examples The book presents various selected and constructed response formats and uses many examples to illustrate correct and incorrect ways of writing items Strategies for training item writers and developing large numbers of items using algorithms and other item generating methods are also presented Based on Theory and Research A comprehensive review and synthesis of existing research runs throughout the book and complements the expertise of its authors

**Geology** Edward C. Gruber,1963 **Exterranean** Phillip John Usher,2019-03-05 Exterranean concerns the extraction of stuff from the Earth a process in which matter goes from being sub to exterranean By opening up a rich archive of nonmodern texts and images from across Europe this work offers a bracing riposte to several critical trends in ecological thought By shifting emphasis from emission to extraction Usher reorients our perspective away from Earthrise like globes and shows what is gained by opening the planet to depths within The book thus maps the material and immaterial connections between the Earth from which we extract the human and nonhuman agents of extraction and the extracted matter with which we live daily Eschewing the self congratulatory claims of posthumanism Usher instead elaborates a productive tension between the materially situated homo of nonmodern humanism and the abstract and aggregated anthropos of the Anthropocene In dialogue with Michel Serres Bruno Latour and other interdisciplinary work in the environmental humanities Usher shows what premodern material can offer to contemporary theory Examining textual and visual culture alike Usher explores works by Ronsard Montaigne and Rabelais early scientific works by Paracelsus and others as well as objects engravings buildings and the Salt Mines of Wieliczka Both historicist and speculative in approach Exterranean lays the groundwork for a comparative ecocriticism that reaches across and untranslates theoretical affordances between periods and languages
