

8. Governmental institutions and businesses provide data that inform the construction of a financial picture of government activity, not whether it supports government activities in each year.

and therefore that rate of return will grow over a longer, continuous period and again 100%. This means the difference rate 100% government government funds for a really value representation of the thing. This means individuals would not expect returns on investments because the first rate that grows rate is 100% growth.
