

## AP Psychology Exam Study Guide

### Exam Info

Psychology Exam Date: May 19th, 11am PST

2 FRQs: 25 mins for Q1 (concept application), 15 mins for Q2 (research methods)

Eligible Units: 1-7

### Writing FRQs

\*Carefully read the prompt prior to answering. Answer the questions you are most comfortable with first, ~~to prioritize your time and maximize your score.~~

\* The question may not be clear so make sure you interpret the question correctly

\*Underline key words and phrases that specifically identify what the task is

\*Prewrite key definitions, examples, and people to use in the answer

\*Be specific, direct, and concise; to the point. ~~Avoid contradictions~~

Use SODAS:

- **Space It:** Leave enough space between each task for you to go back and add to it.
- **Order:** Answer the tasks in the same order as listen in the question
- **Define:** Briefly explain each concept using specific terminology that indicates an understanding of the topic. **VERY IMPORTANT.**
- **Apply:** Relate terms in the question to the scenario or connect the terms as directed in the question, paying attention to specific instructions. **VERY IMPORTANT.**
- **Synonyms:** Do not use the term in the definition or application

Sentence Frame:

- **Psychology Term** is **definition**. In this case/study/experiment, show how it applies
- **Ex: Attachment** is **an emotional tie with another person**. In **Harry and Margaret Harlow's experiment**, they bred monkeys which eventually sought out comfort more than food, which demonstrates that the effects of attachments are seen in other species as well. \_\_\_\_\_

### Test Day Tips

- Have all of your notes **prepared and ready**, but don't spend too much time looking for information. It's better to **know the info** and use the time to demonstrate your knowledge.
- Keep an eye on the clock, and make sure you **leave enough time** to answer every question
- Check your work with any remaining time.
- Stay calm and **get in the zone**; you've prepped all year for this and the only thing you can do at this point is try your best.

### Color Code

Time Period/Date= **Red**

Place= **Yellow**

People = **Green**

Vocab Words= **Blue**

\*Notice: Almost every word of this is plagiarized from textbooks or google, make sure to rewrite the definitions and descriptions if you use this on the AP Test.
