

AP Psychology Exam Study Guide

Exam Info

Psychology Exam Date: May 19th, 11am PST

2 FRQs: 25 mins for Q1 (concept application), 15 mins for Q2 (research methods)

Eligible Units: 1-7

Writing FRQs

- *Carefully read the prompt prior to answering. Answer the questions you are most comfortable with first, ~~to prioritize your time and maximize your score.~~
- * The question ~~may not be clear~~ so make sure you interpret the question correctly.
- *Underline key words and phrases that specifically identify what the task is
- *Prewrite key definitions, examples, and people to use in the answer
- *Be specific, direct, and concise; to the point. Avoid contradictions

Use SODAS:

- **Space It:** Leave enough space between each task for you to go back and add to it.
- **Order:** Answer the tasks in the same order as listed in the question
- **Define:** Briefly explain each concept using specific terminology that indicates and understanding of the topic. **VERY IMPORTANT.**
- **Apply:** Relate terms in the question to the scenario or connect the terms as directed in the question, paying attention to specific instructions. **VERY IMPORTANT.**
- **Synonyms:** Do not use the term in the definition or application

Sentence Frame:

- **Psychology Term** is **definition**. In this **case/study/experiment**, show how it applies
- Ex: **Attachment** is **an emotional tie with another person**. In **Harry and Margaret Harlow's experiment**, they bred monkeys which eventually sought out comfort more than food, which demonstrates that the effects of attachment are seen in other species as well.

Test Day Tips

- Have all **of** your notes prepared and ready, but don't spend too much time looking for information. It's better **to know the info** and use the time to demonstrate your knowledge.
- Keep an eye on the clock, and make sure you **leave enough time** to answer every question.
- Check your work with any remaining time.
- Stay calm and **get in the zone**; you've prepped all year for this and the only thing you can do at this point is try your best.

Color Code:

Time Period/Date— **Red**

Place— **Yellow**

People = **Green**

Vocab Words— **Blue**

*Notice: Almost every word of this is plagiarized from textbooks or google, make sure to rewrite the definitions and descriptions if you use this on the AP Test.
