Engaging Undergraduates in Publishable Research: Best Practices Traci A. Giuliano,Jeanine L. M.

Skorinko,Marianne Fallon,2019-11-20 Although many articles and books have been written about conducting research with undergraduates there is a dearth of research on the process of publishing with undergraduates Thus in this research topic we assembled a collection of 43 articles from 98 researchers worldwide who are passionate about and have had success in

publishing high quality peer reviewed journal articles with undergraduates The diverse articles represent a wide range of practices to help researchers publish with undergraduates including structuring the curriculum to promote undergraduate research and publication optimizing research experiences for undergraduates training students in implementing advanced techniques accessing special populations or conducting research in off campus settings addressing institutional and career challenges for faculty and increasing inclusion and diversity Each article provides a unique and diverse perspective that nevertheless resonates across contexts and situations We hope that the ideas models techniques and practices in these articles will motivate and inspire readers to begin continue or rethink how they engage undergraduates in publishable research we also hope to stimulate empirical and quantitative research on the effectiveness of these ideas models techniques and practices

sources Citation Indexes the Internet not covered in other texts *Writing Research Papers* James D. Lester (Sr.), James D. Lester, 2002 The definitive research paper guide Lester combines a traditional and practical approach to the research process with the latest information on researching and writing online Comprehensive but not overwhelming Lester provides students with step by step guidance through the research writing process from selecting and narrowing a topic to formatting the finished document And it backs up the instruction with the most complete array of samples of any research writing guide on the market Another of the text s ongoing strengths is its extremely thorough and accurate coverage of citation styles for a wide variety of disciplines This edition maintains Lester s successful approach while detailing the uses of new computer technologies that are changing the face of research In addition an all new Interactive Edition CD ROM offers the entire text in an electronic format for easy reference while writing and researching on a computer Numerous multimedia features include interactive research activities weblinks and resources The CD is FREE when bundled with the text Available at an unbelievably low price in two formats perfect and spiral bound with tabs Lester s text is one that students will keep throughout their college careers Quick Student Guide to the APA Referencing Style Creativecloud Publications, 2020-01-19 A quick guide on APA formatting for students Format your academic paper step by step APA format guidelines tips and examples Guide to citing and writing in APA format for students APA formatting and APA style guide APA recommendations APA handbook for students APA Style Manual General guidelines with examples Easy step by step formatting *The Psychology Major* R. Eric Landrum, Stephen F. Davis, Theresa Landrum, 2000 All of the tips and tools of the trade are found in this one volume making this a handy book for readers considering a career in psychology This thorough overview of the discipline provides detailed information on the choices and challenges ahead including career options with an undergraduate degree and opportunities for those who pursue advanced degrees Simon & Schuster Handbook for Writers Lynn Quitman Troyka, Joanne Buckley, David Gates, 1996 **Writing the Research Paper** Anthony C. Winkler, 2000 The rationale behind *Writing the Research Paper Pocket Guide* is essentially a simple one the typical student reaches college having written perhaps a dozen research papers and is familiar enough with the broad convention of the form to neither need nor want a big book on the research paper Instead what the student needs is a handy summary of research paper protocol that can be easily consulted All its explanations should be brief helpful and to the point Its examples should be pointed and illustrative covering major matters rather than minor ones That in a nutshell is the idea behind this book Writing Research Papers Across the Curriculum Susan M. Hubbuch, 1992 The Psychologist as Detective Randolph A. Smith, Stephen F. Davis, 2007 With over 50 combined years of teaching experience Randolph A Smith and Stephen F Davis s interest knowledge and enthusiasm for psychological research shines through Smith and Davis s approach to psychological research helps students broaden their perceptions of the field and encourages critical examination of all of its facets By focusing on actively engaging students through such features as *The Psychological Detective* and *Check Your Progress* the

authors help students develop skills key to successful research With updated examples studies and material The Psychologist as Detective Fourth Edition continues to be an essential text for students entering the world of psychological research Back cover

The Practical Researcher Dana Dunn, 2012-11-27 This text offers updated online searching materials reviewed by reference librarians updated sample references written in APA style new material on learning to identifying the embedded outline found in published APA style papers as a way to learn to outline papers additional discussion of diary studies beeper studies and experience sampling methods A new Preface and Acknowledgements is also included as well as updated suggested references and at the end of each chapter

The Essential Guide James D. Lester (Sr.), James D. Lester, James D. Lester (Jr.), 2005 Low cost small trim size and concise coverage make this research guide a valuable but non intrusive supplement to a core text or anthology in any college course that requires a research paper Coverage of Internet sources includes attention to critical evaluation of these sources and tips for using discipline specialized search engines Chapter on preparing electronic projects explains methods for incorporating slide presentations web sites web PAGES and digital graphics into the research paper Increased coverage of the library s electronic resources including academic databases A new chapter 5 focuses on avoiding plagiarism and practicing academic integrity New chapters 6 and 7 help students identify the best sources evaluate them for relevancy AUTHORITY and accuracy and to create notes that paraphrase quote and summarize effectively Complete and up to date coverage of four documentation systems MLA APA CBE and Chicago style also includes coverage of electronic sources according to the latest EDITIONs of these respective style manuals
