

## ***Basic points of using AP Style writing***

Here are some of the most basic and commonly used AP style points. AP style is simply a standardized way of writing everything from dates to street addresses to job titles. AP style was developed and is maintained by The Associated Press, the world's oldest news service. AP style provides consistent guidelines for such publications in terms of grammar, spelling, punctuation and language usage. AP style is the gold standard for print journalism. It's used by the vast majority of newspapers in the U.S.

### **Numbers**

One through nine are generally spelled out, while 10 and above are generally written as numerals. Example: He carried 12 books up three flights of stairs.

One exception to the above rules: always spell out a number that begins a sentence, except if it is a year.

Example: Two hundred students attended the workshop.

Avoid unnecessary ciphers.

Example: \$1, not \$1.00. 15 million, not 15,000,000.

### **Percentages**

Percentages are always expressed as numerals, followed by the word "percent." Do not use the symbol %.

Example: Food prices have increased 3 percent this year.

### **Ages**

Ages are always expressed as numerals.

Example: He is 5 years old.

### **Dollar Amounts**

Dollar amounts are always expressed as numerals, and the "\$" sign is used.

Example: The price of the skirt is \$15.

### **Street Addresses**

Numerals are used for numbered addresses. Street, Avenue and Boulevard are abbreviated when used with a numbered address, but otherwise are spelled out. Route and Road are never abbreviated.

Example: He lives at 123 Main St. His house is on Main Street. Her house is on 234 Elm Road.

### **State abbreviations\***

AP doesn't follow standard ZIP code abbreviations – e.g., MA for Massachusetts. Each state has its own abbreviation – e.g., Mass. for Massachusetts; N.Y. for New York; Calif. for California; Fla. for Florida and so on.\* However, eight states – Alaska, Hawaii, Idaho, Iowa, Maine, Ohio, Texas and Utah – aren't abbreviated. No state abbreviations are needed for well-known U.S. cities such as Atlanta, Boston, Chicago, Dallas, Detroit, Los Angeles, Miami, New York, San
