Sample Business Proposal, APA Style (Ratajczak)

MEMORANDUM

To: Jay Crosier, Senior Vice President, Human Resources

From: Kelly Ratajczak, Intern, Purchasing Department

Subject: Proposal to Add a Wellness Program

Date: April 24, XXXX

Health care costs are rising. In the long run, implementing a wellness program to our corporate culture will decrease the company's health care costs.

Research indicates that nearly 79% of health care costs are from common illnesses related to high blood pressure, overweight, lack of exercise, high cholesterol, stress, poor nutrition, and other preventable health issues (Ralf, 2006). Health care costs are a major expense for most businesses, and they do not reflect costs due to the loss of productivity or absenteeism. A wellness program would address most, if not all, of these health care issues and related costs.

Benefits of Healthier Employees

Not only would a wellness program substantially reduce costs associated with employee health care, but our company would prosper through many other benefits. Businesses that have wellness programs show a lower cost in production, fewer sick days, and healthier employees ("Workplace Health," 2006). Our healthier employees will help to cut not only our production and absenteeism costs but also potential costs such as higher turnover because of low employee morale.
