Ball State Basketball Media Guide:

Ball State University Anthony O. Edmonds, E. Bruce Geelhoed, 2001 This is a narrative and interpretive history of a major institution of higher education In it the authors want to avoid the pitfalls of too many other college histories which are sometimes either painfully detailed encyclopaedic catalogues of one damn thing after another or panegyrics praising one damn president or construction project after another Obviously they want to tell an interesting story focusing on the people who inhabited the institution from powerful presidents like John R Emens to boisterous students like David Letterman whose fame as a late night talk show host makes his name a household word And they trace the history of the institution and its people from the local business people who pushed to establish higher education in a small Midwestern city in the late 19th century to a 21st century president who spent most of his life in the South But this is not simply a series of stories The authors emphasise two crucial themes that run throughout Ball State s history First more than most American colleges and universities Ball State has had extraordinarily close ties with the community of Muncie especially its elite From the fact that it was named after a local industrialist to vital community participation in its latest fundraising campaign Ball State and Muncie East Central Indiana are inextricably linked Second in many ways Ball State is a representative even paradigmatic American university Targeting mainly students from its region Ball State has had virtually open admission standards for most of its history It has lived what we call the Jacksonian vision of access to education It has also followed a trajectory similar to many other American universities as it moved from normal school to teachers college to comprehensive university Indeed the authors argue it is the Ball States of America that best define this nation s genius in higher education separating this country s system of higher education from those of other countries Ball State University then is both distinctive and representative a fascinating case study in educational history **Indiana Basketball Media Guide** ,1998 **Illinois Media Guide, Women's Basketball** ,2009 **Big Ten Conference ... Women's Basketball Media Guide** ,1994 **From Six-on-Six to Full Court Press** Janice A. Beran,2008-02-01 From Six on Six to Full Court Press is a complete history of Iowa women s high school college and recreational basketball Beran s exhaustive research covers legendary players and coaches changes in rules stats on Iowa girls high school records alterations in playing styles and uniforms along with the heart stopping excitement of the state tournament Hoop Source **Illinois Volleyball Media Guide** ,2008 **Iowa State Men's Basketball** ,2001 **Benching Jim Crow** Charles H. Martin,2010 Historians sports scholars and students will refer to Benching Jim Crow for many years to come as the standard source on the integration of intercollegiate sport Mark S Dyreson author of Making the American Team Sport Culture and the Olympic Experience **Bowker's News Media Directory 2007** CSA Journal Staff,2006-09 **Big Ten Conference ...
