Hammer

The hammer candlestick pattern is formed of a short body with a long lower wick, and is found at the bottom of a downward trend.

A hammer shows that although there were selling pressures during the day, ultimately a strong buying pressure drove the price back up. The colour of the body can vary, but green hammers indicate a stronger bull market than red hammers.

Swing Trading for Beginners and Beyond Brandon M. Ellis, 2025-09-30 Are you tired of watching the markets move while you're stuck on the sidelines? Curious about how swing traders consistently capture profits while managing risk without being glued to their screens all day? Whether you're a total beginner or looking to level up your skills, this complete guide to swing trading will help you turn market timing into real income potential. *Swing Trading for Beginners and Beyond* gives you the proven strategies, tools, and mindset needed to trade stocks, ETFs, and crypto with confidence. Authored by Brandon M. Ellis, a former hedge fund analyst and full-time trader, this book translates complex concepts into clear, actionable techniques for everyday investors. No hype, no fluff, just results-driven education that works in today's volatile markets. Inside this book, you'll discover: What swing trading is and why it's ideal for busy people seeking consistent returns; How to read market structure, spot trends, and trade with institutional flow; The most reliable technical indicators for timing entries and exits; A breakdown of five powerful swing trading strategies: breakouts, pullbacks, trend continuation, VCP setups, and crypto momentum plays; Risk management frameworks that protect your capital and grow your account steadily; Charting tools, broker platforms, and screeners used by professional traders; How to manage emotions, avoid overtrading, and build a trader's mindset; Live trade walkthroughs, backtesting methods, journaling tips, and more. What sets this book apart? Unlike other swing trading books that drown you in jargon or skip over the essentials, this guide walks you through everything from basic setups to advanced execution with clarity and precision. It's packed with real-world examples, practical insights, and market-tested strategies you can apply immediately. Whether you're trading part-time, building wealth for the future, or preparing to go full-time, this book will give you the blueprint to swing trade with skill, confidence, and discipline. Get your copy today and take the first step toward building lasting wealth through strategic swing trading.

Bloomberg Visual Guide to Candlestick Charting Michael C. Thomsett, 2012-01-25 The easy-to-use guide to interpreting candlestick charts and derivative markets. Candlestick charts are an effective way of visualizing price movements, and due to the increased interest in the complex derivatives market, they are being used more and more widely. A combination of a line chart and a bar chart, where each bar represents the range of price movement over a given time interval, candlestick charts are most often used in technical analysis of equity and currency price patterns. A guide to the most used charts. The *Candlestick Glossary* is arranged in an easy-to-use manner, providing a quick reference for those new to the field. Candlestick charts are formed with the help of the opening, high, low, and closing price of the day. If the opening price is above the closing price, then a filled candlestick is drawn, and these charts are visual aids for decision making in forex, stock, commodities, and options trading. Contains alphabetical explanations of over 200 candlestick and related terms. Includes daily charts of 50 companies and six-month charts for comparative explanations of candlesticks with Western-style technical indicators. Written by Michael C.
