

SECTION I

Answer ALL questions.

All working MUST be clearly shown.

1. (a) Using a calculator, or otherwise, find the

(i) a) EXACT value of

$$\frac{7}{8} + \frac{1}{6} \div \frac{2}{9}$$

SOLUTION:

Required to find: The exact value of $\frac{7}{8} + \frac{1}{6} \div \frac{2}{9}$

Solution:

The correct way in which such a question should be written is

$$\frac{7}{8} + \frac{1}{6} \div \frac{2}{9} = \frac{7}{8} + \left(\frac{1}{6} \div \frac{2}{9} \right)$$

$$\text{First we work } \frac{1}{6} \div \frac{2}{9} = \frac{1}{6} \times \frac{9}{2} = \frac{9}{12} = \frac{3}{4}$$

$$\begin{aligned} \text{Hence, } \frac{7}{8} + \frac{1}{6} \div \frac{2}{9} &= \frac{7}{8} + \frac{3}{4} \\ &= \frac{7 + 2(3)}{8} \\ &= \frac{13}{8} \\ &= 1\frac{5}{8} \text{ (in exact form)} \end{aligned}$$

b) $\frac{8}{0.4^3}$

SOLUTION:

Required to find: The exact value of $\frac{8}{0.4^3}$

Solution:

$$\begin{aligned} \frac{8}{0.4^3} &= \frac{8}{0.4 \times 0.4 \times 0.4} \\ &= \frac{8}{0.064} \end{aligned}$$

Using the calculator, we get $= 125$ (in exact form)

Annelies Wilder-Smith

2cxc Maths Paper:

Cases of Assessment in Mathematics Education M. Niss, 2013-04-17 The present book *Cases of Assessment in Mathematics Education* is one of two studies resulting from an ICMI Study Conference on Assessment in Mathematics Education and Its Effects. The book, which is published in the series of ICMI Studies under the general editorship of the President and Secretary of ICMI, is closely related to another study resulting from the same conference, *Investigations into Assessment in Mathematics Education* (Niss, 1992). The two books, although originating from the same sources and having the same editor, emphasize different aspects of assessment in mathematics education and can be read independently of one another. While the present book is devoted to presenting and discussing cases of assessment that are actually implemented, the other study attempts to critically analyze general and principal aspects of assessment. Naturally, the content of either book is enriched by the materials and perspectives provided by the other one. In order to put this book and its background into context, the nature and scope of the ICMI studies are outlined briefly below.

2024-25 TGT/PGT/LT Mathematics Solved Papers YCT Expert Team, 2024-25 TGT PGT LT Mathematics Solved Papers

Multiculturalism and Multilingualism at the Crossroads of School Leadership Jon C. Veenis, Sylvia Robertson, Jami Royal Berry, 2020-10-01 This volume builds upon emergent understandings about educational leadership and policy in hopes of continuing to refine our understanding of what effective leadership means in linguistically and culturally diverse school contexts. The volume seeks to entrench a deeper understanding of the broader leadership policies and practices that promote the success of linguistically and culturally diverse students while also recognizing that effective leadership can be highly dependent on context. It offers original empirical research that enhances an understanding of the interdependencies between leadership, culture, language, and policy, i.e., the mechanisms that engender or hinder successful stewardship of linguistic and cultural plurality. The confluence of school leadership, linguistic diversity, and multiculturalism makes this volume unique, especially considering the pace at which global migration continues to accelerate, coupled with the need to accommodate an array of diverse learning needs in today's schools.
