American Oligarchy Ron Formisano, 2017-09-27 A permanent political class has emerged on a scale unprecedented in our nation s history Its self dealing nepotism and corruption contribute to rising inequality Its reach extends from the governing elite throughout nongovernmental institutions Aside from constituting an oligarchy of prestige and power it enables the creation of an aristocracy of massive inherited wealth that is accumulating immense political power In a muckraking tour de force reminiscent of Lincoln Steffens Upton Sinclair and C Wright Mills *American Oligarchy* demonstrates the way the corrupt culture of the permanent political class extends down to the state and local level Ron Formisano breaks down the ways this class creates economic inequality and how its own endemic corruption

infects our entire society Formisano delves into the work of not just politicians but lobbyists consultants appointed bureaucrats pollsters celebrity journalists behind the scenes billionaires and others Their shameless pursuit of wealth and self aggrandizement often at taxpayer expense rewards channeling the flow of income and wealth to elites That inequality in turn has choked off social mobility and made a joke of meritocracy As Formisano shows these forces respond to the oligarchy's power and compete to bask in the presence of the 01 percent They also exacerbate the dangerous instability of an American democracy divided between extreme wealth and extreme poverty Business ,1963 *The Other College Guide* Paul Glastris, Jane Sweetland, Staff Washington Monthly, 2015-03-10 A college degree has never been more important or more expensive If you're not made of money where can you get an amazing liberal arts education without your parents having to remortgage the house or cash in their retirement fund Which degrees will allow you to fulfill your dreams and earn a decent paycheck What do you really need to know if you're the first in your family to go to college How do you find good schools that offer a well rounded campus life for black or Latino students From the staff of Washington Monthly comes a new kind of college guide inspired by and including the magazine's signature alternative college rankings The Other College Guide features smartly designed engaging chapters on finding the best fit schools and the real deal about money loans and preparing for the world of work This essential higher ed handbook also highlights information on what to look for and watch out for in online programs and for profit colleges and concludes with fifty profiles of remarkable but frequently overlooked schools All things being unequal The Other College Guide will provide American students and their families and school counselors with the honest and practical information they need to make sense of the college process and carve a path to the future they imagine **The Saturday Review of Politics, Literature, Science and Art** ,1864 **Gospel Herald** ,1941
