**CQ: THE LEGACY**

**LEADER'S SUPERPOWER** Anthony Lopez, 2022-09-30 From the Foreword: In this gem of a book, Tony Lopez introduces us to cultural intelligence (CQ) and helps us understand how we go about developing leadership and organizational CQ. Importantly, Tony also explores the roles of the board and executive leadership teams in enabling and measuring CQ. Consider this book a guide, a road map, if you will, but don't think of it as a recipe. Our personal CQ journeys are as individual as our fingerprints. The good news is this CQ can be developed, improved, and used effectively; it can be powerful. I challenge all of us to embark on this journey and become high CQ leaders. Our teams, communities, and our families deserve nothing less. Yvonne Garcia, Global Head of Internal Communications, Chief of Staff to Chairman and CEO, State Street Corporation. Tony Lopez unlocks the vault on creating positive, enduring, and real change in how leaders and boards of directors must think about diversity and how they can become culturally intelligent to fully leverage DEI strategically and competitively, up and down their organizations, to drive impressive business results. Esther Aguilera, President and CEO, Latino Corporate Directors Association (LCDA). I have known Tony for many years, and when Tony speaks, people need to listen. This book is insightful, and it is right on point, especially in today's world. Understanding cultural intelligence (CQ) is paramount to any business leader of an organization at all levels, including the board of directors. An organization that does not embrace Diversity, Equity, and Inclusion (DEI) will not survive. DEI and CQ is no longer a nice-to-have but an imperative. Jose R. Rodriguez, partner, retired KPMG LLP, Independent director, Popular Inc., Primoris Services Corp., and CareMax Inc. I have known Tony for long enough to know that when he writes, I read. This book is a resource that will help us unlock the potential within each of us. Read it, apply it, and change the world around you. It will be time well spent. Chester Elton, Best-selling author of *Leading with Gratitude*.

It synthesizes issues by investigating the why, how, and who of the discipline of managing design and gives the what and when to apply the solutions given various project delivery and contracting methods. The book features candid interviews with over 40 industry leaders: architects, engineers, contractors, owners, educators, technology evangelists, and authors which present a broad look at current issues and offer paths to future collaboration and change.

**Managing Design Conversations: Project Controls and Best Practices for Commercial Design and Construction Projects** is a self-help book for design and construction that provides an insider's look at the mysteries of managing design for yourself, team, firm, and future. It tackles client empathy, firm culture, owner leadership, design and budgets, dealing with engineers, consultants, and contractors, contracts, team assembly, and much more. Bob Fisher, Editor in Chief, Design Intelligence: Managing Design peers into the soul of a contentious industry as it grapples with change.
