Trials for International Crimes in Asia Kirsten Sellars,2015-10-22 The issue of international crimes is highly topical in
Asia with still resonant claims against the Japanese for war crimes and deep schisms resulting from crimes in Bangladesh
Cambodia and East Timor Over the years the region has hosted a succession of tribunals from those held in Manila Singapore
and Tokyo after the Asia Pacific War to those currently running in Dhaka and Phnom Penh This book draws on extensive new
research and offers the first comprehensive legal appraisal of the Asian trials As well as the famous tribunals it also considers
lesser known examples such as the Dutch and Soviet trials of the Japanese the Cambodian trial of the Khmer Rouge and the
Indonesian trials of their own military personnel It focuses on their approach to the elements of international crimes and
their contribution to general theories of liability In the process this book challenges some orthodoxies about the development
