Most Likely to Succeed

Tony Wagner,Ted Dintersmith,2015 From two leading experts in education and entrepreneurship an urgent call for the radical re imagining of American education so that we better equip students for the realities of the twenty first century economy Today more than ever we prize academic achievement pressuring our children to get into the right colleges have the highest GPAs and pursue advanced degrees But while students may graduate with credentials by and large they lack the

competencies needed to be thoughtful engaged citizens and to get good jobs in our rapidly evolving economy Our school system was engineered a century ago to produce a work force for a world that no longer exists Alarmingly our methods of schooling crush the creativity and initiative young people need to thrive in the twenty first century In *Most Likely to Succeed* bestselling author and education expert Tony Wagner and venture capitalist Ted Dintersmith call for a complete overhaul of the function and focus of American schools sharing insights and stories from the front lines including profiles of successful students teachers parents and business leaders *Most Likely to Succeed* presents a new vision of American education one that puts wonder creativity and initiative at the very heart of the learning process and prepares students for today's economy This book offers parents and educators a crucial guide to getting the best for their children and a roadmap for policymakers and opinion leaders
