IDIOMS

Idioms are common phrases and expressions that combine words to give them a different meaning than you would find in the dictionary.

EXAMPLE:

Can we talk about that later? I really don't want to open that can of worms right now.

There isn't really a can full of worms. "A can of worms" is an idiom that means something will or has caused a lot of new problems or confusion. Think of it like this: If you opened a real can of worms, they'd all wiggle out, and it would be messy and hard to deal with.

IDIOMS

In my own words...
