4th Grade Math Field Day:

Walking Among Men Andrew H. Montgomery Sr., 2008-05 Damara Van Brunt teaches Economics for Duke University in North Carolina Her mother and brother live in Bozeman Montana Life is simple and wonderful Until that eventful day her brother Parker calls from the hospital and while on the phone Damara hears the doctor announce that their mother has died Returning home to put matters to rest Damara is devastated to learn that her mother s death was no accident but a murder Trying desperately to accept her mother s untimely death Damara is also trying to comprehend the large amount of family secret information that was left for her if her mother should ever die With no one else to turn to Damara contacts an old college friend Carrie Clarke After Carrie arrives to help her distraught friend Both girls are thrown into a whirl wind adventure that takes them from Montana to New York City and finally to Damara s birth place of Manitoba Canada But unknown to both Damara and Carrie the murderer is following their progress closely in solving the eighty year old mystery Why is it that on the fortieth birthday of each first daughter s birthday is she murdered <http://www.theagencyseries.com>

What Every Middle School Teacher Needs to Know about Reading Tests (from Someone who Has Written Them) Charles Fuhrken, 2012 Tests require a special kind of savvy a kind of critical thinking and knowledge application that is not always a part of classroom reading experiences Who better to teach you how to prepare your students for reading tests than someone who has written them Charles Fuhrken has spent years working with several major testing companies and contributing to the reading assessments of various testing programs What he s learned about testing can help teachers who are interested in teaching effective reading strategies as well as preparing students for reading tests What Every Middle School Teacher Needs to Know About Reading Tests From Someone Who Has Written Them offers extensive practical strategies to help students perform well on test day This ready to use easy to understand resource provides a wealth of information about reading tests including high quality preparation materials samples of the most frequently assessed reading standards and engaging core reading activities Charles takes the mystery out of reading tests he explains how students can learn the language of tests and apply their knowledge of reading to standardized tests In addition to providing information about reading tests that will help students feel prepared and confident on test day What Every Middle School Teacher Needs to Know About Reading Tests provides a wealth of resources that can be incorporated into a teacher s everyday reading work including vocabulary development literary techniques interpretation comprehension and more **The Power of Teacher**
