简历范例 2021-08-01 *Resumes For Dummies* Joyce Lain Kennedy, 2007-02-26 Is your job search stalling out after you submit a resume but before you're offered an interview? With reinvented recruiting technology, unmanageable millions of resumes choking employer databases and government mandates in the name of diversity, a gigantic change has occurred in the recruiting world over the past several years and it demands a fresh look at how you write and market your resumes. Whether you're entering the job market for the first time, changing jobs or changing careers, *Resumes for Dummies* 5th Edition will show you the ropes and rules for a new era in recruiting and job finding. With 85% new content added since the previous edition, this up-to-date guide gives you the very latest strategies on how to create and more importantly, distribute your resume in today's new job search environment. You'll learn why most generic online resumes fail, how to customize resumes for each job opening, new quick ways to find the right jobs, how to use meta search engines to your advantage, why both digital and print versions of resumes are still needed, how to use resumes interactively, the resume basics that still knock 'em dead, how to create resumes for your life's changing phases, what to do after you send them your resume, with a wealth of sample resumes organized by industry and career field, experience level and age, and special circumstances, along with tips on choosing professional resume help and other valuable resources. *Resumes for Dummies* 5th Edition will help you get noticed in a universe saturated with billions of resumes and more on the way. **Critical**

**Discourse Analysis** Norman Fairclough, 2013-09-13 Bringing together papers written by Norman Fairclough over a 25 year period, **Critical Discourse Analysis** represents a comprehensive and important contribution to the development of this popular field. The book is divided into seven sections covering the following themes: language in relation to ideology and power, discourse in processes of social and cultural change, dialectics of discourse, dialectical relations between discourse and other moments of social life, methodology of critical discourse analysis, research analysis of political discourse, discourse in globalisation and transition, critical language awareness in education. The new edition has been extensively revised and enlarged to include a total of twenty two papers. It will be of value to researchers in the subject and should prove essential reading for advanced undergraduate and postgraduate students in Linguistics and other areas of social science.
