*The Monthly Packet of Evening Readings*, 1875      **The New Antigone** William Francis Barry, 1888      Mourning Becomes Her K.C. Washington, 2006-06-20 Broadway baby Antigone Clark fresh from her triumphant theater debut is ready for her close up when her mother succumbs to cancer and then her boyfriend kicks her out on the day of the funeral Thrown off balance by grief for a woman she thought she despised she fears she will exit stage left with sorrow and anger when Baldwin Dahl takes center stage Mr Right on and off the boards Baldwin challenges Antigone's desire to self destruct Antigone challenges Baldwin's right to mind her business Sparks fly and many bottles of top shelf gin go the way of ancient Greece as the thespians navigate their burgeoning careers and their tumultuous love affair      **The Riverside Anthology of Literature** Victor Bowman, 1991      **Monthly Packet of Evening Readings for Members of the English Church (earlier "for Younger Members of the English Church")**, 1890      *Antigone. Romeo and Jeannette* Jean Anouilh, 1958      Seneca's Phoenissae M. Frank, 2018-07-17 This is the first commentary to be written in English on Seneca's Phoenissae an intriguing work on account of its unusual structure and state of incompleteness The substantial introduction deals inter alia with the question of the unity and purpose of the work the absence of an ending and of choral lyrics the philosophical rhetorical and political content Seneca's treatment of the Theban legend The commentary is primarily a literary analysis of the text but textual linguistic metrical and grammatical difficulties are also elucidated With the resurgence of interest in Senecan drama in the last two decades this book is a valuable addition to English commentaries that appeared on most of the plays      **Pene-Lope and Anti-Gone** Robert Franklin Jackson, 2019-02-28 Penelope and Antigone Travails of a German Immigrant Family Years ago the author was acting in a college play and mispronounced Penelope as Pene-lope The cast chided then laughed The author thought the mispronouncing was worth remembering Years later when studying Greek mythology the author came across the character Antigone and realized that using Penelope and Antigone as characters might prove to be humorous Twin sister but what about a surname Once again the author goofed When reading about German philosophers he read Goethe but mispronounced Goethe rhyming it with sloth Your author's twins Penelope and Antigone Goethe now needed a book to come alive The author also the family genealogist traced his Eplers back to Germany to an area known as the Palantate He then realized that the Eplers and the Goethes could be friends immigrating to the colonies together Therefore we have the travails of two German immigrant families Johannes Goethe was the first of ten generations of Goethes descending down to Penelope and Antigone Goethe During the tale of their travails they faced many hardships the ocean voyage indentured servitude second class citizenship internment during the two world wars and kidnapping by an evil civil servant      Reading Packet on Organ Transplantation Reinhard Priester, 1992      **Catalogue of Printed Books** British Museum.
