Julius Caesar (MAXNotes Literature Guides) Joseph Scalia,2013-01-01 REA s MAXnotes for William Shakespeare s Julius Caesar The MAXnotes offers a comprehensive summary and analysis of Julius Caesar and a biography of William Shakespeare Places the events of the play in historical context and discusses each act in detail Includes study questions and answers along with topics for papers and sample outlines **Julius Caesar** William Shakespeare,2004-04-08 The First Folio of 1623 is the definitive edition of Shakespeare s plays It is more often than not the closest we can now get to what Shakespeare actually wrote But the Folio s antiquated typography and cramped layout make it remote and inaccessible to modern eyes The Shakespeare Folios on the other hand offer easy access directly to the First Folio by presenting the text in modern type but otherwise unchanged All the First Folio s idiosyncrasies of layout and spelling even its obvious errors have been scrupulously left intact but the text suddenly becomes as easily legible as the script of any modern play As an additional aid to understanding readers will find printed opposite each page of the Folio the very same passage in a modern edition So whenever the Folio presents a problem the reader can refer to this parallel text for a solution either in the text itself or in the set of notes at the end of the book These notes draw on the long tradition of Shakespearean scholarship and include full reference to surviving Quarto texts **BOOK JACKET Julius Caesar** William Shakespeare,1998-06-25 This edition of one of Shakespeare s best known and most frequently performed plays argues for Julius Caesar as a new kind of political play a
