Wagner,2025-08-25 The main character in this book is God The topic is what happens between God and the author It is a candid telling of the author s experiences to reveal what God can do He does not abandon those who become bruised by the hardness of life who become weak in spirit In the fullness of time God will intervene If this writing helps anyone to God is the glory    Journals of the House of Commons Great Britain House of Commons,1812    *The Wisdom and*

*Will of God* Riaan Engelbrecht,2023-02-21 If we wish to walk in God s victory blessing love hope and glory we need to walk in His Wisdom and in His Will Regarding His Will there is no greater testimony of our desire to follow Him as His children than by the prayer of asking the Lord that His will be done and not ours And that will in the Greek language speaks of desire purpose and intent Therefore Jesus instructs us to pray that the will of the heavenly Father that same Sovereign Lord of Isaiah 61 be done and we are to seek pursue and desire that God s purpose desire intent and desire for us all in this world be done and not our own Regarding His Wisdom we live in a time where man s wisdom prevails to such an extent that the world has now determined what is good what is real and what truth is Where the truth and wisdom of man prevail at the expense of God s wisdom then corruption of mind and spirit follows We live in a time where often people have turned what was once evil into good This is why it says in the Scriptures to seek wisdom for it begins with the fear of the Lord for wisdom is to know what is good and what is evil and to know good from evil And once we know what is right and wrong we need to follow such a path That is wisdom The wisdom to know the way the will the path and the truth of God
