Jesus, Teach Me how to Pray Lynne Modranski, 2011

Reclaiming Family Time Tim and Sue Muldoon, 2017-08-03

What happens when our lives spin out of control because we are so busy and overcommitted? The negative consequences of such a lifestyle are well known but few of us are able to put on the brakes so that we can truly enjoy the gift of one another. Tim and Sue Muldoon take both a meditative and practical approach to this issue. They help us experience the peace that only God can give and they also share what has and hasn't worked in their own family. While there is no magic bullet, the Muldoons show us that when we put God first in our lives, our other priorities fall into line as well. That makes it possible to discern the best ways to spend our time both individually and collectively to build a strong foundation of lasting family relationships.

Jon Courson's Application Commentary Jon Courson, 2006-01-08. A devotional commentary that helps you gain fresh insights into the Bible and understand how you can apply God's Word to your life. Few Bible commentators simultaneously articulate both insightful spiritual truths and memorable life applications for readers who want to be relevant witnesses for Jesus Christ. Gifted Bible preacher and inspiring teacher Jon Courson effortlessly combines these elements in this easy-to-read verse-based devotional commentary on the Old Testament books of Genesis through Job. Pastor Jon's years of immersion in God's Word as he regularly preached from the Bible produced faithful, valuable teaching that takes a balanced approach between a scholarly work and an encouragement for living the Christian life. His application commentaries combine the following elements in a unique blend of pertinent information and needed inspiration: Deep love for God's word, Colorful cultural insights, Insightful historical information, Applicable topical studies, Vivid illustrations and stories, Humorous practical and inspiring life lessons. Jon Courson's devotional commentaries offer thorough and comprehensive teaching along with practical in-depth topical studies in a very readable and comfortable expositional style. **Monterey Life**, 1988.

The Book of Job: God's Faithfulness in Troubled Times Dr. Jim Halla, 2022-04-05. Job, the book and the man, is well known even in the public arena. However, the main character of the book is the Triune God. Moreover, some have suggested that the book of Job focuses on the larger problem of evil in a good God's world. By definition, that would include the concept of victimhood. However, Dr. Jim Halla thinks that approach misses major issues in the book. *The Book of Job: God's Faithfulness in Troubled Times* presents Dr. Halla's understanding of the book under four major headings: God's sovereignty, suffering, suspicion, and success. Job began well but faltered. He considered himself alone in deafening silence from God, and his relationship with God in shambles. God took him to the zoo and the sea, and Job learned well; he repented, and God placed him in the position of intercessor for his friends. He functioned as a type of Christ, but he was not Christ. He came to embrace those two truths. The book of Job is for all believers in all seasons, no matter their spiritual maturity. As you read *The Book of Job: God's Faithfulness in Troubled Times*, see if you catch a glimpse of Job's radical reversal. **RECONSTRUCTING CHRISTIANITY** Rich Mayfield, 2005-10-27. Despite what some would have us believe, Christianity is not limited to the religious right and its

exclusive claims More and more spiritual sojourners are being drawn back to the simple teachings of Jesus There they encounter a whole new way of understanding contemporary Christianity Reconstructing Christianity Notes from the New Reformation captures this new religious awakening and provides a helpful daily guide to making Christianity meaningful again **The Outlook** ,2000 The Ten Commandments Eileen P. Flynn,2010-06-01 The Ten Commandments Case Studies in Catholic Morality is a single source that summarizes Catholic teaching around the Ten Commandments Thirty case studies related to real life issues and dilemmas addressed by each commandment make up the heart of this text and remind students of the central importance of the Ten Commandments as a source for moral decision making along with contemporary ways the Commandments can be applied in their own lives The text addresses both every day issues of morality faced by teens such as cheating on exams using alcohol and drugs sex before marriage along with wider and new societal issues including the use of embryonic stem cells for medical research responsibility for environmental problems and the proper use of money The Ten Commandments Case Studies in Catholic Morality is intended as an ancillary resource for students to accompany their study of Catholic morality The text is a helpful partner to any theology class to help students review current applications of the Ten Commandments The book is also applicable as a resource for teens participating in a high school youth ministry program Forthcoming Books Rose Army,2003 Management Vs. the Unions Edward F.
