1. **Introduction (What is ANTHEM?)**

ANTHEM is a new way of thinking about the world. It is a new way of thinking about the world that is based on the following principles:

- **Principle 1: The world is a system of interconnected parts.** The world is not a collection of separate parts, but a system of interconnected parts. The world is a system of interconnected parts that are all connected to each other.
- **Principle 2: The world is a system of interconnected parts.** The world is not a collection of separate parts, but a system of interconnected parts. The world is a system of interconnected parts that are all connected to each other.
- **Principle 3: The world is a system of interconnected parts.** The world is not a collection of separate parts, but a system of interconnected parts. The world is a system of interconnected parts that are all connected to each other.

2. **Core Concepts (What are the core concepts?)**

There are three core concepts in ANTHEM: **1. The world is a system of interconnected parts.** **2. The world is a system of interconnected parts.** **3. The world is a system of interconnected parts.**

- **Principle 1: The world is a system of interconnected parts.** The world is not a collection of separate parts, but a system of interconnected parts. The world is a system of interconnected parts that are all connected to each other.
- **Principle 2: The world is a system of interconnected parts.** The world is not a collection of separate parts, but a system of interconnected parts. The world is a system of interconnected parts that are all connected to each other.
- **Principle 3: The world is a system of interconnected parts.** The world is not a collection of separate parts, but a system of interconnected parts. The world is a system of interconnected parts that are all connected to each other.

3. **Physical Work Station:**

There are three physical work stations in ANTHEM: **1. The world is a system of interconnected parts.** **2. The world is a system of interconnected parts.** **3. The world is a system of interconnected parts.**
